105-X-1-.02 Categories To Be Judged.

The following categories will be judged and scored by the committee. Scoring will be on the point system up to a maximum of 100 points.

(1) Individual Exhibits:

(a) Variety and quantity in categories: Consider population and area served. Score 0-5 points for below average, 6-10 points for average and 11-15 points for above average. Maximum 15 points.

(b) General appearance of entries and displays: Score 0-2 for below average 3-4 points for average and 5-7 for above average. Maximum 7 points.

(2) Commercial, school, school organizations, community, public service, etc.: Consider population of area served. Maximum 8 points in each category. Score 0-2 points below average, 3-6 for average, and 7-8 for above average.

(a) Educational value Schools, FHA, youth groups, and other educational exhibits.

(b) Agricultural value Livestock, farm and garden crops, 4-H, FFA, and other agricultural exhibits.

(c) Civic and community involvement, public service, religious, government agencies, etc.

(d) Industry and business: Observe to what extent is industry and business involved in the exhibit.

(3) Publicity: Score 0 points for below average 1-2 points for average, and 3 points for above average. Maximum 3 points.

(4) Promotions, special events and/or special promotions: Score 1/2 point for each activity. Maximum of 4 points.

(5) Entertainment: Score 1 point for each activity. Maximum of 5 points.

(6) Overall operation:

(a) Housekeeping, sanitation and general appearance: Observe the general appearance of fair grounds, inside tents, buildings, rest rooms and workers' appearance. Maximum of 4 points.

(b) Planning: Observe if fair is well planned and operated. Observe if there are sufficient members of sponsoring organization visible for information and control. Maximum of 4 points.

(c) Compare with other fairs: Observe how fair compares with other fairs in approximately same population area and how fair appears to be serving the area. Score 0-2 points for below average, 4-5 points for average and 5-7 points for above average.

(7) Personal opinion of committee on how fair has improved over last year. Score 0-2 points for below average, 3 points for average and 4-5 points for above average.

(8) Increase in number of individual exhibits:

(a) Increase over last year in number of individual exhibits and exhibitors as listed in item two above, except commercial. Score 0 points if increase is less

than 1%, 1 point if 1-5% increase, and 2 points if increase is greater than 5% in each category. Maximum of 8 points.

(b) Score 2 points if increase in three out of four categories.

(9) Agricultural Center Board's receipt of basic allotment form within 35 days of the close of fair. Score 2 points.

(10) Application for merit awards report: Score 0 points if three or more entries incomplete, 1 point if two or less entries not complete, and 2 points if complete.

105-X-1-.08 Review Procedure.

(1) Merit awards will be made at annual meetings of the Association of Alabama Fairs, but no checks will be presented at that time.

(2) Any reconsideration of these awards must be filed with the Agricultural Center Board no later than 15 days following the association's annual meeting. If no reconsideration request is filed, then the checks will be promptly processed and sent out.

(3) If a request for reconsideration is timely filed, the Center Board will review said request. The Board shall have final authority and may, in its discretion, make any change in awards which the Board feels is warranted. The Board shall resolve all requests for reconsideration within 30 days and the checks will be presented promptly thereafter.

105-X-1-.09 Divisions Of Fairs.

So that there will be no unfair competition, fairs shall be divided into three divisions, of small, medium, and large, based upon populations served by said fair.

(1) These divisions of fairs are defined as follows:

(a) A small fair is a fair that serves a population of up to 50,000 persons.

(b) A medium fair is a fair that serves a population of 50,000 persons or over, but less than 100,000 persons.

(c) A large fair is a fair that serves a population of 100,000 persons, or over.

(d) The determination of whether a fair shall be considered small, medium or large as defined above shall be the duty of, and wholly within the discretion of, the Special Awards Committee for fairs as defined in Code of Ala. 1975, §2-7-31.

(2) Divisions of fairs shall not compete with other divisions, but shall only compete with those fairs in the same division.

(3) The distribution of funds as contemplated under Code of Ala. 1975, §2-7-28, and Rule 105-X-1-.07 of this chapter shall be limited to the various divisions of fairs as follows:

(a) Each small or medium fair as defined and designated in this rule shall be limited to \$5,000 in any one fair season.

(b) Each large fair as defined and designated in this rule shall be limited to \$8,000 in any one fair season.
