(a) Lands are advertised as extensively as practicable and are offered on a competitive bid basis by sealed bid with scheduled public opening of bids.

(b) Awards are made on the basis of high bid conforming to the conditions stated in the offering and the minimum acceptable price established by BCDA.

(c) Licenses are offered for a minimum period of one (1) year.

(d) Use of the land for agricultural purposes shall not preclude reasonable public access to the property for recreation purposes.
