() Count. The referee's count is the official count. When a contestant is knocked down, the referee shall order the

opponent to retire to the farthest corner of the ring, pointing to that corner. Once the opponent has so retired to the farthest neutral corner the referee will immediately pick up the timekeeper's count. The referee shall then audibly announce the passing of each second, accompanying the count upward with motions of his or her arm, indicating the count with visual finger counts at the end of each second. The referee may cease counting if the opponent fails to remain in the neutral corner until the count is complete. No contestant who is knocked down shall be allowed to resume boxing until the referee has finished counting eight. The contestant may take the count either on the floor or standing.

(e) Count for Dazed Contestant. Should a contestant who is down rise before the count of ten (10) and again go down without being struck then the referee shall resume the count where he or she stopped.

(f) Saved by the Bell. A boxer cannot be saved by the bell in any round including the final round of any boxing contest.

1. When any round ends before a contestant who was knocked down rises, the bell shall not ring and count shall continue. If the contestant rises before the count of ten, the bell shall ring ending the round.

2. The one-minute rest period, delayed by the count in (g)(1) above, shall not begin until the bell has sounded ending the round.

3. A knockdown will not be awarded or scored if the blow was struck after the bell ending the round has sounded.

(g) Boxers Knocked Out of the Ring.

1. Any boxer knocked out of the ring or onto the floor shall receive a twenty (20) second count.

2. During the time that any such boxer is outside the ring, he or she shall not be assisted by any member of their corner, and if such assistance is offered, it shall end the match, contest, or exhibition with that boxer losing by a technical knockout.

3. As a general precaution, to protect the safety of the boxer and to prevent any potential injury, a boxer knocked out of the ring may have his or her fall stopped or slowed by any person without penalty, provided that such assistance shall only be to prevent injury from the fall and not to assist the boxer in returning to the ring.

(i) Standing Eight Count. There shall be no standing eight count.

(h) Knock-Out. If the contestant fails to rise before the count of ten (10), the referee shall declare said contestant the loser by a knockout.

(i) Failure to Answer Bell. A contestant shall not leave the ring during any one (1) minute rest period between rounds. If any contestant fails or refuses to resume boxing when the bell sounds signaling the commencement of the next round, the referee shall award a decision of technical knockout to his opponent as of the round which has last been finished.

1. If the circumstances indicate to the referee the need for investigation or punitive action, the referee may withhold giving a decision and may recommend the purse or purses of either or both boxers should be withheld pending a Commission hearing.

(5) Fouls.

(a) In general, a referee has wide discretion in how to punish an offending boxer who fouls his or her opponent.

1. If the referee determines that a foul is unintentional, he or she may simply caution the offending boxer to be attentive to rules concerning fouls.

2. If the foul is determined to be intentional, the referee may issue a warning to the offending boxer, or may deduct one or more points from the offending boxer.

(b) Fouls, whether intentional or unintentional, are defined as follows:

1. Hitting below the belt;

2. Holding an opponent with one hand while hitting said opponent with the other hand, injuring the opponent;

3. Hitting an opponent who is “down” or who is getting up after being “down”;

4. Holding an opponent or deliberately maintaining a clinch;

11. The use of abusive or profane language;

12. Jabbing an opponent's eyes with the thumb of glove;

13. Rabbit punches (hitting the back of the head or neck);

14. Failure to obey the referee;

15. If the referee feels that boxer has conducted himself/herself in an unsportsmanlike manner, the referee may stop the bout and disqualify the boxer.

(c) Intentional Foul. At the referee's discretion, any foul defined in sub-paragraph (b) may be called "intentional."

1. Upon the first occurrence of such intentional foul and during the same round as such intentional foul occurs, the referee may, at his or her discretion and without previous warning, disqualify the offending boxer or deduct one (1) point from the offending boxer.

2. Upon the second occurrence of such intentional foul, the referee may, at his or her discretion and without previous warning disqualify the offending boxer or deduct two (2) points from the offending boxer.

3. If an intentional foul causes an injury and the injury is severe enough to terminate the bout immediately, the boxing causing the injury shall lose by disqualification.

4. If an intentional foul causes an injury and the bout is allowed to continue, the referee will immediately notify the judges of the foul and the injury, and deduct two (2) points from the boxer who caused the foul. Point deduction for an intentional foul that causes injury to a boxer is mandatory.

5. If an intentional foul causes an injury and the injury results in the bout being stopped later in the round, the injured boxer:

(i) If ahead on the score cards, will win by Technical Decision (TW), or

(ii) If behind or even on the score cards, the bout will be judged a Technical Draw (TD).

(d) Unintentional Foul. Except as provided below, no point will be deducted from the score or other disciplinary action taken against either boxer for an unintentional foul unless a previous warning has been given to the offending boxer. For the purposes of this subparagraph, unintentional fouls are actions as described by sub-paragraph (b) above, which in the judgment of the referee were not intentionally caused.

1. If an unintentional foul causes an injury severe enough for the referee to stop the bout, the bout result will be announced in accordance with the Uniform Championship Rules in effect at the time of the bout.

2. If an unintentional foul causes an injury severe enough for the referee to stop the bout after four (4) rounds have been completed, the bout will result in a Technical Decision (TW), awarded to the boxer who is ahead on the score cards at the time the bout is stopped.

(i) Partial or incomplete rounds will be scored. If no action has occurred, the round shall be scored as an even round.

(e) Cuts and Lacerations. A cut or laceration caused by either an intentional or an unintentional foul may only be treated during the one (1) minute break between rounds, provided however that the referee may a call a brief time-out and request a physician’s evaluation of the cut to determine if the bout shall be allowed to continue. During such time-out, the cut may not be treated by the physician or any other person.

(6) Scoring.

(a) When Contestant Considered Knocked Down. A contestant shall be deemed down when, after a scoring blow was struck, and:

1. Any part of the downed boxer’s body, other than his or her feet, makes contact with the ring floor;

2. He or she is hanging over the ropes in a defenseless manner (a referee can count the boxer out either on the ropes or on the floor);

(b) When Contestant Considered Not Knocked Down. A knockdown will not be scored or counted when:

1. The referee indicated that the boxer fell after slipping or being tripped.

2. The referee or the Commission supervisor determines that the blow was struck after the bell sounded ending the round.

(c) Deducting Points for Fouls.

1. A judge shall be careful to correctly deduct any point or points from the scorecard as commanded by the referee.

2. When one or more points is to be deducted from a boxer's score, the judge shall first record his or her actual score for the round (gross points before any points are deducted) and shall then deduct the appropriate number of points from that score to arrive at a net score for the round. The net-score for the round, after points are deducted, may result in neither boxer receiving a 10-point score.

(d) The 10 Point Must System.

1. The 10 Point Must system shall be used as the standard scoring of a bout.

(7) Low Blows: Intentional or Unintentional.

(a) Recuperation Time. Any contestant struck by a low blow may, at the discretion and after consultation with the ring physician, be given up to five (5) minutes to recuperate.

1. During such recuperation the injured boxer may sit on a stool inside the ring, or in a neutral corner, but may not rest in his assigned corner.

2. Only the referee is allowed to assist the injured boxer during the five-minute rest period.

3. The uninjured fighter, during any such rest period, may not be assisted and shall remain in the neutral corner furthest from the boxer.

(b) Bout Stopped by Low Blow. Except as provided in sub-paragraph (5)(b)(15) of this rule, no contestant injured by a low blow may be awarded the contest.

1. If a contestant falls to the ring floor or otherwise indicates an unwillingness to continue because of a claim of a low-blow, he shall be declared the loser by a technical knockout.

(8) Timekeepers.

(a) Number Assigned per Bout. Two (2) licensed timekeepers, assigned by the Commission, may upon the request of the

Commission be required at each event; one (1) to keep time and one (1) to count for the knockdowns.

(b) Announcement Responsibilities.

1. The bell shall be sounded at the beginning and at the end of each round. Except as provided in (d) below the timekeeper shall not sound the bell during the process of the round.

(i) Regardless of the sounding of the bell, the referee in the ring is the sole authority to announce when the round begins. Each boxer will remain in their assigned corner. The referee, once he or she is satisfied that each boxer is prepared to begin and that no condition exists which may present a medical hazard to either boxer, will announce "FIGHT."

(ii) The timekeeper will immediately start the clock at the referee's command of "FIGHT."

2. Timekeepers shall alert the referee by striking the table ten (10) seconds prior to the end of each round.

3. Timekeepers shall indicate ten (10) seconds prior to the end of each one (1) minute rest period.

(d) Countdown Responsibilities. When a boxer is down, the timekeeper shall rise and start his or her count, counting by one (1) for each second until ten (10) is reached. After the referee has taken control of the count, the timekeeper shall be seated and cease counting.

(e) Responsibility to Announce in an Emergency Suspension of Round. If the referee is absent from the ring or temporarily incapacitated the timekeeper shall immediately sound the gong for temporary discontinuance of the contest.

(9) After the Contest, Match, or Exhibition.

(a) Contestants to Leave Ring. When the decision of the referee or judges has been announced both contestants and their seconds shall at once leave the ring and retire to their dressing rooms.

(b) Decision Announcement. In all preliminary contests decided by the judges' scorecards, up to and including the semi-main event, the announcer will announce if the decision is "unanimous," "a majority decision," or "a draw." In main events and championship contests decided by the judges' scorecards, the total points given each contestant by the three (3) individual judges will be announced.

(c) Finality of the Decision. A decision rendered at the end of any boxing contest is final and shall not be changed unless the Commission determines that any of the following occurred:

1. There was collusion or fraud affecting the result of any contest, or,

2. The compilation of the score cards of the referee and judges reveals a clerical or mathematical error which caused the decision to be given to the wrong boxer.

3. There was a violation of the laws or rules and regulations governing professional boxing in this state which affected the results of any contest.

4. The chief official may in his or her discretion change a referee's decision if, in his or her judgment, a palpable and self-evident error has been committed.

5. Video Instant-Replay. When available, video instant-replay may be used to ensure the accuracy of a fight ending sequence and at no other point in the bout. Once video instant-replay is employed, the bout, match, or exhibition is over. When used, the Chief Inspector shall review whether the cause of the bouts end was by means of legal or illegal striking. Bouts ending due to illegal (intentional or unintentional foul) shall be settled in the manner listed in the chapter above. The secondary referee, outside the ring, may consult with the Chief Inspector on the correct outcome of the bout, but the decision rests solely with the Chief Inspector.

(d) Appeal of Decision.

1. A petition to change a decision or the ruling of the chief official shall be in writing and filed by a boxer or the boxer's manager within five (5) business days from the date the decision was rendered.

2. The Commission may hold a hearing to change the decision or the ruling of the chief official at any time within fourteen (14) days from the date the decision was written. A majority vote of the Commissioners shall be required prior to holding a hearing.

3. If the Commission determines that any of the above occurred with regards to any contest then the decision rendered shall be changed as the Commission may direct, and shall notify the national registry of the change.
