170-X-24-.01 Definition Of Terms.

(1) Code of Ala. 1975, §34-14B-2, provides for the definition of the following terms: Building Commission, Exterior Insulation and Finish Systems (EIFS) Inspector, Home Inspector, Person and Residence.

(2) Act. The term "Act" as used in this Chapter 170-X-24 shall mean Title 34, Chapter 14B of the Code of Ala. 1975, as amended.

(3) Alabama Administrative Procedure Act. The Term "Alabama Administrative Procedure Act" refers to the act codified at Title 41, Chapter 22 of the Code of Ala. 1975.

(4) Director. The term "Director" is defined in Rule 170-X-1-.03(b). Further, the Director shall be the official of the Building

Commission responsible for and empowered to implement, supervise and carry out the requirements of this Alabama Home Inspectors Registration Program. The Director's powers shall include, but shall not be limited to, the decision to accept, reject, approve or disapprove of any and all applications (whether initial, renewal or reconsideration) for licensure, to revoke or suspend licensure, imposition of fines and making a final decision on all complaint procedures, disciplinary hearings and enforcement.

(5) License. The term "license" as used in this Chapter 170-X-24 shall mean a certificate of licensure issued or renewed by the Building Commission pursuant to the Act and this Chapter 170-X-24.

2. Approval or certification by one of the following agencies to inspect residential construction: The United States Veterans Administration, United States Department of Housing and Urban Development, the Southern Building Code Congress International, or the Council of American Building Officials.

3. A high school diploma or its equivalent, work experience for at least one year as a home inspector, and completion of at least 100 home inspections for compensation.

4. Alabama licensure on or after January 1, 1998, as a general contractor, registered professional architect, registered professional engineer, or residential home builder. Renewals of home inspector licensure previously supported by evidence of an acceptable professional license shall not require the applicant to repeat proof of such professional licensing.

(d) Complete a written examination demonstrating to the Building Commission that the applicant possesses an appropriate understanding of the Standards of Practice (Rule 170-X-25-.01) and the Code of Ethics (Rule 170-X-25-.02) promulgated by the Building Commission and a written examination demonstrating adequate knowledge of performing

home inspections. The written examination for Home Inspectors to demonstrate appropriate understanding of the Standards of Practice and Code of Ethics will be the American Society of Home Inspectors Standards and Ethics Examination. The written examination demonstrating adequate knowledge of performing home inspections will be the Examination Board of Professional Home Inspectors National Home Inspectors Examination. Applicants shall pay any and all fees associated with testing directly to the organizations conducting the testing. Applicants must present with their application, original or duplicate test score reports demonstrating that the applicant has passed both tests within ninety (90) days of submitting the application.

(2) In order to receive a license, an EIFS Inspector must meet the same qualifications as a Home Inspector except applicants for licensure as an EIFS Inspector need not obtain the insurance referred to in subsection (1)(b) above, provide evidence of one of the professional qualifications referenced in subsection (1)(c) above or sit for the written examination specified by the Building Commission. An EIFS Inspector shall comply with the Standards of Practice and Code of Ethics promulgated at Rules 170-X-25-.03 and .04. In addition, an EIFS Inspector must, at the time of application, be a member of and adhere to the ethical standards of one of the following professional bodies:

Exterior Design Institute, 1531 Early Street, Norfolk, VA 23502.

Association of the Wall and Ceiling Industry, 803 Broad Street, Suite 600, Falls Church, VA 22046.

170-X-24-.06 Annual License Renewal, Consequences Of Failure To Renew.

(1) A license is valid only during the calendar year indicated on the license. At the end of that calendar year, the license expires unless it is renewed by the licensee.

(2) To renew a license, the licensee must file a complete, accurate, timely, and notarized annual license renewal application with the Director of the Building Commission. Applicants renewing a Home Inspector's license must also demonstrate continued compliance with the requirements found in Rules 170-X-24-.05(1)(b) and (c), and for renewals of licenses for the year 2005,

demonstrate compliance with the requirement for errors and omissions coverage found in 170-X-24-.05(1)(b) above and compliance with the requirement found in 170-X-24-.05(1)(d) above of providing an original and duplicate test score report demonstrating that the applicant has passed the Examination Board of Professional Home Inspectors National Home Inspectors Examination. Applicants renewing an EIFS Inspector's license must also demonstrate continued membership in and adherence to the ethical standards of the Exterior Design Institute or the Association of the Wall and Ceiling Industry. Annual license renewal applications must be filed with the Building Commission by October 1 of the year preceding the year for which the license is to be renewed. Any renewal applications received after October 1 may, in the sole discretion of the Director, be rejected for that reason alone. Certificates of licensure shall be renewed on or before 60 days prior to the expiration date.

(3) If a licensee changes its address during the license year, the licensee promptly must notify the Building Commission of the new address.

History: **New Rule:** Filed September 23, 2002; effective October 28, 2002. **Amended:** Filed February 2, 2004; effective March 8, 2004.

170-X-24-.07 Denial Of License.

(1) Grounds for Denial. The Director may deny an application for a license or a license renewal for the applicant's failure to meet any requirement or standard established by the Act or these rules.

(2) Notice of Denial. The Building Commission shall give any applicant whose application for licensure or renewal is denied a written notice specifying the reason for the denial.

(3) Reconsideration.

(a) An applicant denied a license shall be given an opportunity to be re-considered after filing a new application and paying an additional application fee; provided, however, the Director in his discretion may waive any application requirements regarding the filing of any additional forms or the payment of any additional fees.

(b) An applicant who claims to have been wrongfully denied a license may request reconsideration of the Director's decision at any time within 45 days after the date of the Director's notice of denial. This request for reconsideration must be in writing and must include evidence that the Director relied on

inaccurate or incomplete information in denying the applicant a license; evidence of rehabilitation or the elimination or cure of the grounds on which the denial was based; or other explanatory evidence bearing on the applicant's record. In connection with this request for reconsideration, the applicant shall be entitled to appear before a technical committee designated by the Director, in order to present the request. Applicants requesting reconsideration of denial shall be notified of the opportunity to appear before the committee by letter, mailed certified mail, return receipt requested, to the most recent address on file with the Building Commission at least 15 days prior to the scheduled date of the committee meeting. The notice shall also otherwise substantially comply with the requirements found in Code of Ala. 1975, §41-22-12(b). In the event an applicant receives less than 15 days' notice as described herein, the Director may grant a continuance until the next meeting date. The committee shall report to the Director its recommendation concerning the applicant's request for reconsideration. The Director shall be solely responsible for deciding whether or not to grant or deny the applicant a license. Should the Director deny the applicant his or her license, the applicant shall thereafter be entitled to appeal that decision to circuit court, as provided in Rule 170-X-24-.18.

170-X-24-.14 Complaint Procedure.

(1) In the event a complaint is filed against a licensee or if the Director determines from other information that an investigation is necessary, the procedure for investigation or complaint shall be as follows:

(a) Upon undertaking an investigation of a licensee, the Director shall notify the licensee of investigation and the charges being investigated.

(b) The Director shall designate individuals to serve on an Investigative Committee. This Investigative Committee shall conduct an investigation of the complaint.

(c) At the end of the investigation, the Investigative Committee shall inform the Director as to whether probable cause exists for the Building Commission to initiate formal disciplinary proceedings, or to forward any necessary information to the appropriate governmental authorities. No member of the Investigative Committee, or any other individual associated with the investigation, shall in any way communicate any information to the Director concerning the facts, merits or substance of the investigation. If the Investigative Committee determines upon its investigation that no probable cause exists, the proceedings will terminate.

(2) In the event the Investigative Committee determines that probable cause exists to initiate formal disciplinary proceedings, the Investigative Committee shall so notify the Director. The Director shall thereafter schedule a proposed hearing date to be

held within three months from the Director's receipt of the Investigative Committee's report.

(3) Notice shall be mailed certified mail, return receipt requested, to the most recent address of the licensee on file with the Building Commission. In the event the notice is refused or the return receipt has not been received by the Building Commission at least 10 days before the proposed hearing date, the licensee may be served by mailing a copy of the notice first class mail at least seven days before the proposed hearing date. The notice shall include a notice of the proposed hearing date and the respondent's opportunity to request that the hearing be conducted. The notice shall otherwise substantially comply with Code of Ala. 1975, §41-22-12(b).

(4) A respondent may request in writing that the hearing be conducted. The request shall be submitted to the Director within 15 calendar days of the date of receipt of notice. Failure to request a hearing within the above time frame shall constitute a waiver of the opportunity for a hearing and shall cause the matter to be submitted to the Director for final action. Should the respondent request a hearing, the date of the hearing will be the proposed date established pursuant to subsection (2) above. Disciplinary Hearings will be conducted as described in Chapter 170-X-24-.16.

(5) Nothing contained herein shall be deemed to prohibit the informal disposition of any matter by stip settlement, consent order or default or by another method agreed upon by the Director and the respondent in writing.

170-X-24-.16 Disciplinary Hearings.**(1) Conduct of Hearing**

(a) The Director, in his or her discretion and subject to applicable provisions of the Alabama Administrative Procedures Act, may appoint a hearing officer to hear the evidence and submit a report to the Director, including recommended findings of fact and conclusions of law.

(b) The respondent shall either admit or deny the charges set forth in the complaint.

(c) The hearing shall be conducted in a manner prescribed by the hearing officer, or, in the absence of a hearing officer, in a manner prescribed by the Director.

(d) The Director shall issue an order within 30 days after either the hearing is concluded, if conducted by the Director, or the Director's receipt of the hearing officer's report, if the hearing was conducted by a hearing officer. The order shall include findings of fact, official notice taken and conclusions of law, stated separately. The parties shall be notified either personally or by certified mail, return receipt requested, of any order, and a copy of the final order shall be delivered and mailed to each party or to his or her attorney of record.

(2) Other. The hearing otherwise shall be conducted in compliance with the provisions of the Alabama Administrative Procedures Act.

History: New Rule: Filed September 23, 2002; effective October 28, 2002.

170-X-24-.17 Discipline.

(1) Revocation and suspension of license and imposition of administrative fines. The Director may revoke or suspend the respondent's license and may impose and collect administrative fines not to exceed \$3,000 per violation of the Act or these rules:

(a) Upon a finding that the respondent has provided false information in an application;

(b) Upon a finding that respondent has violated the applicable Standards of Practice or Code of Ethics promulgated by the Building Commission;

(c) Upon a finding that any of the insurance coverages required in Rule 170-X-24-.05 has ceased to be effective; or

(d) Upon a finding by the Director that the respondent has failed to comply with any requirement of the Act or these rules.

(2) Considerations. In determining whether a license should be revoked or suspended and the imposition of any fines, the Director shall consider all the relevant factors, including, but not limited to, the following:

(a) The severity of the offense;

(b) The danger to the public;

(c) The number of repetitions of offenses;

(d) The length of time since the date of violation;

(e) The number of complaints filed against licensee;

(f) The licensee's experience;

(g) The actual damage, physical or otherwise;

(h) The deterrent effect of the penalty imposed; and

(i) Any other mitigating or aggravating circumstances.

(3) Surrender of License. Upon the Director's revocation or suspension of a license, the licensee promptly shall surrender to the Director the license certificate issued to the licensee.

170-X-24-.19 Reinstatement Of License After Revocation Or Suspension.

Any licensee whose license has been revoked or suspended may apply to the Director for reinstatement of the license at any time. In the application for reinstatement, the applicant shall state why the license should be reinstated and shall specifically set forth any change in circumstances that would justify reinstatement. The application for reinstatement must include evidence that the applicant meets all the current licensure requirements and, unless excused by the Director, the applicant must qualify for licensure through all the procedures, including written examination, for initial licensure.
