Statutory Authority: Code of Ala.1975, §§28-12-3; 28-12-22
History: New Rule: Published October 31, 2025; effective December 15, 2025, operative January 1, 2026.

20-X-32-.03 Additives to Consumable Hemp Products.

Consumable Hemp Products shall not contain any intoxicating substances or intoxicating additives other than cannabinoids.
Author: ABC Board
Statutory Authority: Code of Ala.1975, §§28-12-3; 28-12-23
History: New Rule: Published October 31, 2025; effective December 15, 2025, operative January 1, 2026.

20-X-32-.04 Serving Sizes and Container Sizes.

(1) Consumable hemp beverages shall not have more than one serving in a single container. A beverage serving size shall not exceed 12 fluid ounces or 10 milligrams of total THC.

(2) For any topical, sublingual or other consumable hemp product not addressed in Section 28-12-23(a)(1), Code of Alabama 1975, one container of a consumable hemp product may not contain more than 40 milligrams of total THC.

(3) All edible consumable hemp products shall be individually wrapped in a single serve packaging. Each single serve packaging shall not exceed 10 milligrams of total THC. One carton may not contain more than 40 milligrams of total THC.
