(2) Any ABC Board licensee and/or any person applying initially for an ABC Board license, by virtue of holding such a license or making such application, does agree, invite, consent and authorize personnel of the ABC Board to examine and inspect equipment, stocks, invoices, receipts, books, papers and related records and to make copies of the same at any time during normal operating hours of the ABC Board or of the licensee.

(3) The premises of any club licensee shall not be deemed to be the home or private premises of any member thereof. However, by applying initially or seeking renewal of such license, all officers and members of the club do agree, consent, authorize, and accept this definition of the club premises and the invitation to search, supervise, observe, and enforce the laws and regulations of the ABC Board as set forth in Section (1) above.

(4) Where private living quarters are maintained in the same structure in which an ABC Board licensed business is operated, such living quarters shall be considered part of the licensed premises and shall be subject to warrantless full inspection and supervision by the ABC Board as in any other part of the licensed premises.

(5) Individual hotel and motel rooms occupied by registered guests shall be considered private and not a part of the licensed premises nor subject to the provisions of this regulation.

(6) ABC Board licensees shall be accountable to the ABC Board for criminal conduct which occurs or is suffered to occur on any part of the licensed premises. Where the ABC Board or Hearing Commission finds such criminal conduct to be allowed, caused, permitted, or suffered to occur by the licensee, employees or agents thereof, the licensee's license shall be subject to disciplinary action.

(7) Any ABC Board licensee found on or off the licensed premises, possessing, transporting, selling, receiving, giving, or otherwise dealing with alcoholic beverages without having paid the appropriate Alabama tax thereon, shall be subject to disciplinary action.

(8) Any ABC Board licensee, officer, or agent thereof violating any criminal law or statute of the State of Alabama, whether or

not occurring on the licensed premises, may subject the licensee to disciplinary action.

(9) ABC Board retail licensees licensed to sell beer or wine for off-premises consumption may contain facilities for the sale of beer or wine or both, but may not sell liquor, by means of a "drive-up", "walk-up", or "drive-thru" window or other type of exterior access. All rules governing the sale of alcohol and tobacco still apply and it is the responsibility of the licensee to ensure that there are no sales of alcohol or tobacco to minors, there are no sales of alcohol to intoxicated individuals, and that all sales of beer and/or wine are made in sealed containers in accordance with Title 28 and ABC Rules and Regulations. Those licensees conducting beer and wine sales by the above-mentioned means of exterior access shall:

(a) Post, in a well-lighted area near the exterior access, a sign which must be visible to customers purchasing beer and/or wine. The sign must be a minimum of 18" X 24" and read:

1. Containers must remain sealed at all time during vehicular transportation from the place of purchase to the destination.

2. It is unlawful for a person in a motor vehicle to have in his or her possession alcoholic beverages of any kind, in an open container, on a public highway or right-of-way of a public highway of this state (see 32-5A-330, Code of Ala. 1975).

Curbside pick-up or takeout is considered an order, placed with the licensee, that is brought to the customer's vehicle in the parking lot of the licensed premises, or picked up at the licensee's place of business. All licensees primarily operating as "package stores" may only sell items allowable under 20-X-5-.13. Purchased goods, including alcoholic beverages, must be placed in the customer's vehicle within a clearly designated, well lighted pickup/takeout area. Upon delivery of alcoholic beverages to a customer's vehicle, an employee of the licensee must verify that the recipient is 21 years of age or older by reviewing an allowable form of identification listed in 20-X-6-.09(d).
