**280-X-2-.03      Application Procedure.**

(1) Only bona fide residents of Alabama are eligible to file applications for loans.

(2) Applicants who are members of the entering class must file an official application form prior to the deadline date declared by the Board. Enrolled students may file an official application form at any time.

(3) Parents or guardians of each applicant must file a Parent's Confidential Financial Report with the Board. Applications will not be reviewed if a Parent's Confidential Financial Report is not filed with the application.

(4) Full-time students in good standing enrolled at the University of Alabama School of Dentistry may apply for the balance of a loan which is surrendered by the current recipient or is not renewed. Priority will be given to applicants who are members of the same class as the current recipient. The executive committee will select the recipients of the loans which are not renewed or are surrendered.

**280-X-2-.04      Selection Of Recipients Of Loans.**

(1) Pertinent information concerning each applicant's financial status and academic achievements will be compiled in outline form prior to the annual meeting. These outlines plus the applications and Parent's Confidential Financial Reports will be available to members of the Board attending the annual meeting. All of this information is strictly confidential.

(2) Recipients of loans who are members of the entering class will be selected by the priority voting system approved by the Board.

(3) Priority will be given to students that agree to apply through the Alabama Dental Service Program.

(a) Each Board member present at the meeting will rate each application from one (1) to five (5) to indicate his/her evaluation of the applicant's need and qualifications for financial aid. One (1) is equal to the highest priority; five (5) is equal to the lowest priority.

(b) The average rating of all Board members present will determine the applicant's priority for financial assistance.

(c) Loans not to exceed twenty percent (20%) of the members of the upcoming freshman class, will be granted to applicants who receive the lowest average priority score, provided three-fourths (3/4) of the Board members present approve the voting results. A Board member may request that the Board reconsider

any application which receives a priority score low enough to qualify for a loan. The original score will be declared invalid and the Board will cast a substitute vote if such action is approved by three-fourths (3/4) of the Board members present.

(4) In the event a loan is not accepted by a recipient in the entering class it may be awarded to another qualified applicant who is a member of the same class. Priority will be given to the applicant whose average priority score ranked next to the last successful score.
