303-X-4-.02 Continuing Education General Standards.

(1) All electrical and provisional electrical contractors shall be individually accountable for obtaining 14 hours of continuing education hours every two years.

(2) The Board may prescribe additional continuing education courses as disciplinary action.

(3) All licensed contractors shall meet continuing education requirements as stated in Section 34-36-8 Code of Ala. 1975.

(4) Continuing education is not required for the first year a contractor holds a certification.

(5) Failure to complete the minimum continuing education requirements annually will prevent the renewal of a certified contractor's license until proof of compliance is submitted to the Board.

(6) Units of measure for continuing education in hours. One hour equals at least 50 minutes.

(7) Continuing education hours are awarded in increments of two hours not to exceed fourteen hours.

(8) Certified contractors may roll over up to seven hours on an annual basis.

(9) The Board may accept continuing education earned from an alternative continuing education provider by submitting a request for approval of non-traditional continuing education.

(10) Continuing education courses and activities may not be repeated within the earning period for credit.

(11) Proof of compliance with the continuing education requirements must be submitted to the Board before the quarter in which the licensee expires annually.
