The Authority may, at its discretion, authorize the immediate repayment of a specific portion of the Fund loan and allow the remaining balances to be repaid in accordance with a revised Fund loan repayment schedule.

(5) The recipient shall reduce the amount of outstanding commitment insofar as possible and report to the Department the uncommitted balance of Fund monies awarded under the Fund loan. The recipient shall make no new commitments without the Department's specific approval thereof. The Department shall make the final determination of the eligibility of termination costs.
