335-4-7-.02 Decal Requirements.

Vehicles operated by the transporter or receiver shall exhibit a decal issued by ADEM. The transporter or receiver shall maintain a list of decal assignments to specific vehicles and may request new decals via the Department-approved electronic system, when additional vehicles are added.

(a) The decal shall be placed on each vehicle in the fleet and be clearly visible at all times. The decal shall be placed on the left side of the vehicle, either on the windshield or the side of the vehicle immediately behind the driver's side door

and/or in accordance with U.S. Department of Transportation requirements.

(b) Numbered decals shall be provided by ADEM to the transporter who shall assign the decals to their vehicles. The transporter or receiver shall maintain a list of decals and the vehicle to which that decal is assigned. Decals are not transferable to another vehicle.

(c) The transporter or receiver may paint or scribe in some manner the decal information of the side of the vehicle immediately behind the driver's side door if the information placed on the vehicle clearly provides all information on the ADEM decal. Letters and numbers placed on the vehicle in this manner shall be at least one (1) inch in height. Letters and numbers shall be enduring and not change appearance with time.

335-4-7-.03 Reporting.

(1) A transporter shall submit a scrap tire semi-annual report as described in 335-4-1-.03, utilizing ADEM Form 539, for each six (6)-month period of the calendar year (January through June, July through December). All reports shall be submitted to ADEM no later than the 28th day following the end of the reporting period.

(2) If a permitted vehicle of the transporter is involved in a motor vehicle accident while transporting tire materials and tire materials are spilled, the transporter shall notify ADEM, as described in 335-4-1-.03, within seventy-two (72) hours of the accident. The notification shall provide the following information:

(a) Date, time, and location of the accident.

(b) Amount of tire materials spilled from the vehicle involved in the accident.

(c) The disposition of spilled tire materials and tire materials remaining in or on the vehicle.
