(h) Any entity providing funds to the SAH program will be permitted to establish additional rules and guidelines under which those funds may be used, as long as they do not violate any state or federal law.

(2) Application Process.

(a) Homeowner creates an online profile and completes the application.

(b) Homeowner selects a Certified IBHS Evaluator from a list of evaluators provided by SAH.

(c) Evaluator pre-qualifies the home to determine whether the home can be FORTIFIED and, if so, identifies all improvements require to achieve IBHS Roof or Silver levels or an IBHS successor designation and reports findings to SAH. The Evaluator's fee is paid by the homeowner.

(d) Homeowner submits application to SAH with required documentation: Evaluator's report, most recently filed federal income tax return or approved alternative, a copy of the declaration page from the homeowner's insurance and wind insurance policy or policies, and a vendor disclosure statement.

(e) Homeowner obtains bids for level of work desired (Roof or Silver) from three approved program Contractors.

(3) Approval of Grants.

Verified applicants are placed in the order received. Grants are awarded on a first-come basis subject to availability of funds.

(b) When a grant is approved, an approval letter is sent to the applicant.

(c) The applicant then selects a contractor of its choice from bids received and enters into an agreement with the Contractor to perform the FORTIFIED work. Contractors are not authorized to begin work until a grant is approved.

(4) Release of Funds. Grant funds will only be released on behalf of an approved applicant once a Roof or Silver certificate has been issued for the home. The funds will be paid by SAH or another designated entity, on behalf of the homeowner, directly to the contractor that performed the FORTIFIED work.

(5) Grant Award Process:

(a) Once the grant application is approved, the Contractor selected by the Homeowner may begin the FORTIFIED work.

(b) Once the FORTIFIED work is completed, the Contractor submits a copy of the signed contract to SAH, along with an invoice seeking payment and an affidavit stating the FORTIFIED standards was met by their work.

(c) The IBHS Evaluator will conduct all required evaluations, including the required interim inspection during construction and the final inspection, confirming that the work was completed according to the FORTIFIED specifications.

(d) SAH or its designated entity pays the Contractor costs covered by the grant; the homeowner pays the remaining cost to the Contractor after receiving an IBHS FORTIFIED Certificate.

(e) SAH confirms the homeowner's insurer provides the appropriate premium credit.

(f) SAH conducts random re-inspections to detect any fraud and submits any irregularities to the ALDOI Fraud Unit.
