520-2-2-.02 Definitions.

(1) **Public Library:** A public library is a library established in accordance with the Code of Ala. 1975, for the purpose of providing free public library service to the population in its legal service area. Public libraries may or may not have BRANCHES (auxiliary service outlets with quarters separate from the central library, with no less than a basic collection of materials, a regular staffing level, and an established service schedule, but without a separate policy-making board of trustees). The following are types of public libraries:

(a) **Municipal Public Library:** A public library established and maintained by a city, town, or other municipality, whose

policy-making board of trustees is appointed by the municipal authority.

(b) **County Public Library:** A public library established and maintained by a county for the use of the whole or a part of a county, whose policy-making board is appointed by the county commission.

(c) **City-County Public Library:** A public library established and maintained by joint contractual agreement or joint resolution between county and municipal governments, with a single policy-making board appointed in accordance with the agreements.

(d) **District Library:** A public library serving a taxing district which has been authorized by legislative action and created by majority vote of the residents of the district, whose policy-making board is elected in accordance with the provisions of the legislative action.

(2) **Public Library System:** An organization composed of PUBLIC LIBRARIES and formed for the purpose of providing library services within a framework of written contracts; a public library system may also have contracts with county commissions or municipal governments for the system to provide library services to county or municipal residents who would otherwise be unserved.

(3) **System Headquarters:** A site designated through contractual agreement to serve as administrative center for a PUBLIC LIBRARY SYSTEM. A system headquarters may serve any function established by contract.

(4) **Legal Service Area:** The legal service area of a library is the population within the boundaries of the geographic area the library is established to serve. A library may contract, in writing, to provide service to population outside its legal service area at the discretion of the library board of trustees of the affected areas. The following describe legal service areas of different types of libraries:

(a) The legal service area of a MUNICIPAL LIBRARY is the area within the municipality's corporate limits.

(b) The legal service area of a COUNTY LIBRARY is the area within the county's geographic borders.

(c) The legal service area of a CITY-COUNTY PUBLIC LIBRARY is all of the area within the corporate limits of participating municipalities and within the county's geographic borders.

(d) The legal service area of a PUBLIC LIBRARY SYSTEM consists of the legal service areas of the public libraries belonging

to the system and any additional areas(s) for which the system contracts to serve with the appropriate governing body.

(e) The legal service area of a DISTRICT LIBRARY is the area of the taxing district authorized by legislative action and approved by majority vote of the population within the district.

(5) **State Aid:** Funds appropriated by the legislature as a supplement to local funds designated for the provision of library service.

(a) State aid funds are distributed quarterly by the Alabama Public Library Service on a per capita basis for the respective legal service areas and any area served contractually; population figures used are the most recently certified Bureau of the Census population estimates.

(b) Where legal service areas overlap, as in the case where there is both a COUNTY LIBRARY and a MUNICIPAL LIBRARY serving the same population, state aid funds for that part of the population shall be distributed in accordance with the terms of an annually renewed written agreement between the library boards. In order for first quarter funds to be distributed on schedule, a current copy of the agreement must be on file at APLS by October 1. If no contract has been filed with APLS by the beginning of the second quarter, all state aid funds for the county population residing within the municipality will be divided equally between the COUNTY LIBRARY and the MUNICIPAL LIBRARY, with funds for first and second quarters available for distribution during the second quarter and with remaining funds distributed on the regular quarterly schedule.

(6) **Non-Capital Funds:** Non-capital funds are those funds appropriated for normal/routine operations. They do not include funds specifically designated for the acquisition of and/or improvement to real property (buildings, land, etc.).

520-2-2-.04 Fiscal Requirements.

A public library must have a current budget, and the participants of a public library system must have a cumulative total current budget, based on locally-appropriated non-capital funds, of not less than the amount of state aid for which the library or system is eligible nor less than the previous year's budget. Locally-appropriated non-capital funds may include a combination of municipal or county funds appropriated to the library or system budget and in-kind funds expended directly by local governments for public library services.

(a) If locally-appropriated funds received are not sufficient to match for state aid and/or if the locally-appropriated funds received are reduced from the previous year, the amount of state aid for the current fiscal year will be reduced by an amount equal to the difference between the current locally-appropriated funds received and the average of the locally-appropriated funds received for the previous two (2) fiscal years. [See example below.]

SAMPLE PUBLIC LIBRARY (pop. 10,000)		
FISCAL YEAR	LOCAL BUDGET	STATE AID \$1.00 per capita
2015	\$18,000	\$10,000
2016	\$20,000	\$10,000
2015/2016 avg	\$19,000	
2017	\$18,000	\$9,000*
* State aid for 2017 reduced by \$1,000 to coincide with the \$1,000 reduction between the 2015/2016 local budget average (\$19,000) and the 2017 local budget appropriation (\$18,000).		

(b) A public library system headquarters can qualify for the total state aid amount for which it is eligible even if any

county or municipality within the region is unable to match for its share, provided that supplementary local appropriations from other member counties or municipalities are available to match for the necessary amount of state aid. State aid funds received by a system headquarters by this method can only be used in the counties or municipalities providing the supplementary funds.

(c) No more than fifty percent (50%) of a library's state aid funds will be used for salaries during any fiscal year.

(d) No state aid may be used for construction, remodeling or alteration of buildings, or for utilities. If state aid funds are used for a non-allowable expense, such funds must be replaced with local money, or the amount must be returned to APLS.

(2) Where a public library system exists, all state aid funds for libraries or governmental units contracting to participate in the system will be forwarded to the system headquarters, providing that copies of the annually reviewed contracts are sent to APLS prior to receipt of state funding.

(3) State aid funds will be distributed directly to eligible public libraries, which are not in systems.

(4) Changes in the distribution of state aid can only be made at the beginning of the APLS fiscal year and under the following conditions:

(a) A public library that wishes to change its status as a state aid recipient by either joining or withdrawing from a system must file written notification with APLS and the system headquarters by July 1 to ensure provision of state aid by the new fiscal year beginning October 1.

(b) A public library that is not currently receiving state aid, but wishes to do so, must file written notification with APLS, and submit documentation that it meets the requirements of Rule 520-2-2-.03 above, by July 1 in order to receive state aid by October 1.

All public libraries receiving and using state aid funds in a fiscal year, either directly or indirectly, shall comply annually. The form and substance of the Statement of Fiscal Responsibility shall be mandated by APLS and shall be made available to the public libraries of Alabama by APLS.

(2) APLS shall make the Statement of Fiscal Responsibility form available to the public libraries of Alabama on or prior to October 1. (4) APLS shall accept a certified public accountant audit detailing the usage of state aid funds by a public library in lieu of the Statement of Fiscal Responsibility, if the audit is received in the first quarter of the subsequent fiscal year and the audit provides a comparable reporting of the Statement of Fiscal Responsibility.

(5) Failure to comply with these audit requirements for state aid funds shall result in the suspension of further funding of state aid funds to noncompliant public libraries.
