610-X-13-.01 Definitions.

(1) American Society of Addiction Medicine Patient Placement Criteria (ASAM Criteria): Current comprehensive criteria developed by the American Society of Addiction Medicine for determining appropriate treatment recommendations for substance use disorders.

(2) Board-Recognized Substance Use Disorders Treatment Provider: An organized program for treatment of substance use disorders that meets criteria set forth by the Alabama Board of Nursing in 610-X-13-.04.

(3) Comprehensive Substance Use Disorder Evaluation: An evaluation conducted in an inpatient or structured outpatient setting over a period of three (3) to seven (7) days by a multidisciplinary team that includes assessment of the applicant or licensed nurse's physical health, substance use, psychological and psychiatric functioning, family and social assessment, legal and occupational history, and gathering of collateral information from a variety of sources, to include board consultation, occupational information, and family and social information. Neuropsychological and cognitive testing, drug testing, and any other testing deemed appropriate by the evaluation team may also be included. At a minimum, the multidisciplinary team shall include a physician specializing in addiction medicine; a licensed psychologist who is qualified to conduct psychological and neuropsychological examinations and testing and render an opinion regarding the presence or absence of cognitive impairment; licensed physician(s), certified registered nurse practitioner(s), or physician assistant(s) who are qualified to conduct comprehensive physical and psychiatric examinations; and at least one licensed

health care professional or behavioral health professional who has at least one year of professional experience in the treatment of substance use disorder in health care professionals. Members of the multidisciplinary team do not have to be employees of the board recognized substance use disorder evaluation provider, but the board recognized substance use disorder evaluation provider must ensure the availability and participation of the members.

(4) **Continuing Care/Aftercare:** Sessions conducted by the substance use disorder treatment provider one (1) time per week for a MINIMUM of one (1) year after the completion of treatment. If the substance use disorder treatment provider does not conduct the aftercare itself, it shall facilitate the nurse's enrollment in aftercare at a provider appropriate for the nurse.

(5) **Mental Condition:** A disorder meeting diagnostic criteria for Mental Disorder as defined in the most current version of the Diagnostic and Statistical Manual of Mental Disorders (DSM) (American Psychiatric Association). (American Psychiatric Association: Statistical Manual of Mental Disorders, Washington, DC, American Psychiatric Association).

(6) **Substance Use Disorder:** A disorder meeting the diagnostic criteria for Substance Use Disorders (either Substance Dependence or Substance Abuse) as defined in the most current version of the Diagnostic and Statistical Manual of Mental Disorders (DSM) (American Psychiatric Association).

(7) **Treatment Recommendations:** The course of treatment recommended for a nurse, including recommendations for follow up care after completion of treatment. For treatment recommendations, based on a diagnosis of a Substance Use Disorder, treatment recommendations must utilize ASAM Patient Placement Criteria for level of treatment and services required.

(8) **Voluntary Disciplinary Alternative Program (VDAP):** A program authorized by the Alabama Legislature to promote early identification, intervention, treatment, and rehabilitation of any registered nurse, licensed practical nurse or applicant issued a valid temporary permit for licensure whose competence is found to be impaired or compromised because of the use or abuse of drugs, alcohol, controlled substances, chemicals, or other substances or as a result of a physical or mental condition rendering the person unable to meet the standards of the nursing profession.

(9) **VDAP Agreement.** An agreement signed by the VDAP participant setting forth the terms and conditions with which the VDAP participant shall comply during participation in the VDAP.

(10) **Sponsor:** A person in recovery from a substance use disorder who acts as an accountability partner with the VDAP participant and who is willing to be identified and to provide his/her contact information to the Board.

610-X-13-.04**Board Recognized Substance Use Disorder
Evaluation and Treatment Providers.**

(1) It is within the Board's discretion to recognize evaluation and treatment providers for mental and physical conditions and substance use disorders.

(2) The Board-recognized evaluation provider shall meet the following criteria:

(a) Conduct or provide for, by a qualified provider, assessment, evaluation, diagnosis, and treatment of mental health, physical condition or substance use disorder, utilizing the most current version of the DSM as indicated by the diagnosis, by a qualified provider that includes mental disorder diagnoses; factors including physical, psychosocial, contextual and environmental factors; level of functioning; cognitive status; and disability.

(b) Possess the capability to evaluate health care professionals working in safety-sensitive employment.

(c) For substance use disorder evaluations, conduct a comprehensive substance use disorder evaluation. If treatment is recommended, the treatment recommendations shall be based on ASAM Criteria. Treatment recommendations shall identify a minimum of three treatment providers at which the recommended treatment may be obtained, at least two of which shall not be owned, operated, or otherwise financially affiliated with the evaluation provider. If three treatment providers cannot be identified, the evaluation provider shall state in writing the reason.

(d) For mental and physical condition evaluations, issue treatment recommendations, if treatment is recommended. The evaluation provider for mental or physical condition evaluations may not have a pre-existing treatment relationship with the nurse or applicant without prior approval of the board.

(e) Following completion of recommended treatment, issue recommendations regarding fitness to return to the practice of nursing and advanced practice nursing and recommendations regarding monitoring requirements for nurses who are recommended to return to practice. If board recognized evaluation provider is not the treatment provider selected by the nurse, the board recognized evaluation provider shall provide all necessary coordination to facilitate treatment at the selected treatment provider and, once the treatment is completed, shall make determination regarding the nurse's ability to resume safety sensitive employment in the field of nursing without danger to self or the public.

(f) Provide all written records requested by the Board in a timely manner. Failure to respond to requests for written records may result in removal of the Board-recognized evaluation provider from the list of Board's resources.

(g) Inform patients of the cost of the evaluation prior to commencing the evaluation.

(h) Inform the Board in writing of any changes in the evaluation provider's ownership, location, director, or membership of any required multidisciplinary team; interruption of operations for more than twenty-four (24) hours; or inability to comply with the requirements of this chapter.

(3) The Board-recognized treatment provider shall meet the following criteria:

(a) Conduct, during the initial phase of treatment for a mental condition, physical condition or substance use disorder, if indicated: biological testing and screening for drugs, chemicals, and alcohol that are analyzed by qualified medical and laboratory personnel. A drug screen that is positive during treatment requires confirmation, at the applicant or licensed nurse's expense, from a laboratory approved by the Board. The treatment provider shall notify the Board's designee(s) of any drug screen deemed positive.

(b) Communicate, in a timely manner, with authorized Board designee(s), through electronic communications and written reports:

1. Compliance or noncompliance with treatment requirements.
2. Data necessary to determine applicability of terms and conditions of and compliance with the VDAP Agreement, including, but not limited to, all information required in this section, as well as reports regarding attendance at treatment and aftercare/continuing care and results of any biological testing or screening for drugs, chemicals, and alcohol.
3. Changes in treatment plan based on the progress of the licensed nurse or applicant.
 - a. Provide individualized written plan(s) of care including assessment and diagnosis, treatment goals, discharge criteria, guidelines for continuing recovery, and recommendations for return to nursing practice.
 - b. Certification by the State Department of Mental Health or approved by a Board-recognized approving body, if applicable.

(c) For substance use disorder treatment providers:

1. Conduct or provide for Continuing Care/Aftercare for a minimum one day per week for twelve months or longer if required by the treatment provider following completion of treatment.
2. Incorporate an abstinence philosophy into treatment and require, at a minimum, the applicant or licensee's attendance at a minimum of three (3) abstinence-oriented support group meetings per week during treatment.
3. For programs offering only intensive outpatient treatment, provide at a minimum 100 hours of treatment per episode, excluding continuing care, at least three (3) days per week in the initial phase of treatment.

(d) For mental condition treatment at the inpatient or partial hospitalization level, conduct or provide for further outpatient care services for a minimum one day per week for twelve months or longer if recommended by the mental condition evaluation provider or by the treatment provider following completion of treatment.

(e) Provide all written records requested by the Board in a timely manner. Failure to respond to requests for written records may result in removal of the Board-recognized treatment provider from the list of Board's resources.

(f) Inform the Board in writing of any changes in the treatment provider's ownership, location, or director; interruption of operations for more than twenty-four (24) hours; or inability to comply with the requirements of this chapter.
