**620-X-5-.07      Administrator-In-Training.****General Information**

(1) An Administrator-in-Training is a supervised internship during which the Administrator-in-Training (the AIT) works under the guidance and supervision of a preceptor, a licensed administrator meeting the qualifications set out in the requirements for preceptors. The internship is a unique phase of education consisting of the supervised practice of nursing

home administration in the environment of the nursing home, with continued instruction in the skills and are of nursing home administration. In keeping with the philosophy of continued improvement in the quality of professionalism in the field of nursing home administration, the internship is considered an essential part of the education of a Nursing Home Administrator. With this concept in mind, it is evident that the internship can be conducted only in those nursing homes in which the educational benefits to the intern are considered of paramount importance, with the service benefits to the nursing home of secondary importance.

(2) The satisfactory completion of a 1,000-hour AIT program will satisfy the experience requirement set forth in rule 620-X-5-.02(f).

(3) An applicant for the AIT program must meet those qualifications established by Code of Ala. 1975, Section 34-20-9, which are in effect at the time of application, and pay the application fee as determined by the Board.

(4) Preceptors must submit an outline of their proposed AIT program for review and approval by the Board.

(5) The Board must approve each facility at which the training will take place.

(6) The training must be under the full-time supervision of the preceptor.

(7) The AIT shall serve his/her training in a normal workweek, containing a minimum of 20 hours, with not less than eight hours to be served daily between the hours of 7:00 a.m. and 10:00 p.m., except that during the year a minimum of 40 hours and a maximum of 160 hours are to be served between 10:00 p.m. and 7:00 a.m.

(8) The AIT program shall begin on the first day of the month following the approval of the Board.

(9) The AIT and the Preceptor shall sign an agreement acknowledging to each other and the Board that the training shall be in accordance with these rules. The agreement shall contain any other agreements between the AIT and the Preceptor concerning the training.

(10) The AIT shall be allowed two weeks leave for military training, two weeks leave for vacation, and reasonable sick leave.

(11) The Board may approve a temporary discontinuance of the training for up to one year, but the AIT shall only retain credit for those quarters completed and for which reports have

been submitted and approved by a Board representative. If for any reason the approved preceptor is no longer able to supervise the AIT at the facility, the AIT may petition the Board for the appointment of an interim preceptor pending the approval of a new preceptor by the Board.

(12) The Board will approve an interruption of an AIT program for the compulsory service of the AIT in the armed forces of the United States. The AIT may resume his/her training at any time within one year of his/her discharge from active duty.

(13) The AIT and the Preceptor must report any discontinuance of training to the Board within ten (10) days.

(14) A rotation through the various departments and duties in the nursing home are essential to the proper completion of the training. An AIT shall not, during the normal working hours of his/her program, fill a specific, specialized position in the nursing home.

(15) A Board representative may visit a nursing home for the purpose of surveying the AIT program. The Board may require the AIT to do further work toward meeting objectives or training the core of knowledge, or to work with a different Preceptor, if reports and progress in the program are inadequate.

(16) No credit shall be given by the Board for time served by an individual in an unapproved AIT program, or for time served under the supervision of a preceptor who has not been approved by the Board, or for time spent in an approved program under an approved preceptor until such time as the application have been properly filed with the Board.

#### Preceptor

(1) The Board will approve persons to act as preceptors in AIT programs based on information submitted to the Board. The approval shall be effective for a period of three years, after which the preceptor must reapply. However, the Board may disapprove a preceptor for a training program who has failed to remain in compliance with these requirements. The Board may disapprove a preceptor at any time for good cause.

(2) Each person desiring to be a preceptor must submit an application showing:

(a) his/her name, address, and age;

(b) that he/she has been a licensed and practicing nursing home administrator in Alabama for at least three years, or has been a licensed nursing home administrator for at least two years in another state and has been

licensed and practicing in Alabama for at least one year, and that no disciplinary action has been taken against him/her in the last three years;

(c) the states and dates of issuance of all his/her professional licenses, including those as a nursing home administrator; and

(6) A preceptor must be in direct management control of the facility or facilities at which the training is to take place.

(7) A person desiring to be preceptor must apply and qualify under the terms of this rule, notwithstanding an approval under previous rules.

(3) The application must include a copy of the latest survey report and any plans for correction. The survey report must show that the facility is currently licensed by the Department of Health, Division of Licensure and Certification and a nursing facility and has no serious operating deficiencies.

(4) The facility teaching staff shall be composed of personnel whose professional and moral integrity are unquestioned, who

are proficient in the field of practice to which they devote themselves, who give careful attention to their duties and who are willing to assume responsibility individually and as a group for providing ample instruction to the AIT and to assist them in their work.

The nursing home facility may withhold such certificate only if the AIT fails to complete his/her AIT program or if his/her performance has been such as to indicate that he/she is unfit to practice as a nursing home administrator.

(5) It shall be the duty of the AIT to inform the Board of any violation by the facility of any provision of the program approved by the Board or any violation of the laws or rules of the Board governing nursing home administrators.
