760-X-1-.01 Certain Motor Vehicles Required To Stop At Rail/
Highway Crossings And Draw Bridges.

(1) Every person operating

- (a) any motor vehicle carrying passengers for hire,
- (b) a bus or truck, other than a pick-up truck, carrying passengers whether for hire or not,
- (c) any school bus carrying any school child or other passengers,
- (d) every bus transporting passengers,
- (e) every motor vehicle transporting any quantity of chlorine,
- (f) every motor vehicle which, in accordance with the regulations of the Department of Transportation, is required to be marked or placarded with one of the following markings:

- 1. Explosives A
- 2. Explosives B
- 3. Poison
- 4. Flammable
- 5. Oxidizers
- 6. Compressed Gas
- 7. Corrosives
- 8. Flammable Gas
- 9. Radioactive
- 10. Dangerous
- 11. Combustible (cargo tanks only)

(g) every cargo tank motor vehicle, whether loaded or empty, used for the transportation of any hazardous materials as defined in the Hazardous Materials Regulations of the Department of Transportation, Parts 170-189 of Title 49 CFR, which by reference is made a part of this regulation,

(h) every cargo tank motor vehicle transporting a commodity which at the time of loading has a temperature above its flash point as determined by Section 173.115 of Title 49 CFR, and

(i) every cargo tank motor vehicle, whether loaded or empty, transporting any commodity under special permit in accordance with the provisions of Section 170.13 of Title 49 CFR.

(2) For the purpose of this regulation, the provisions of Title 32-5A-151, Code of Ala. 1975, shall also apply to any drawbridge, known or marked as such.

Reinstatement Of Driving Privilege After Revocation.

The Director of Public Safety, at any time after the expiration of six months from the date of revocation, may reinstate the driving privilege of any person whose privilege of driving a motor vehicle on the streets and highways of this state has been revoked in accordance with the provisions of Code of Ala. 1975, §§32-6-1 through 32-6-36 and §32-5A-195 inclusive as the result of a conviction of an offense enumerated in §32-5A-195 for which revocation of license is mandatory, in the following manner:

(a) The Director, upon investigation of such person and satisfactorily showing that an applicant is deserving of reinstatement of his driving privilege, may permit such person to be examined by the Driver License Examiner.

(b) Upon successful passage of such examination, the applicant shall present his certificate of examination to the Judge of Probate or License Commissioner's Office with the required fee and the operator's license shall be issued.

760-X-1-.07 Suspension And Revocation Of Driver License Under The Point System.

(1) Section 32-5A-195, Code of Ala. 1975, as amended, provides that the Director of Public Safety shall forthwith revoke the license of any driver upon receipt of such driver's record of any of the following offenses when such conviction has become final:

(a) manslaughter resulting from the operation of a motor vehicle;

(b) driving a motor vehicle by a person who is a habitual user of narcotic drugs, or while intoxicated, any felony in the commission of which a motor vehicle is used;

(c) failure to stop and render aid as required under the laws of this state in the event of a motor vehicle accident resulting in the death or personal injury of another;

(d) perjury, or the making of a false affidavit or statement under oath to the Director of Public Safety under this article, or under any other law relating to the ownership or operation of motor vehicles.

Section 32-10-1(b), Code of Ala. 1975, as amended, also provides that the Director shall revoke the driver license of persons convicted of leaving the scene of an accident under this section. Section 32-5A-195, Code of Ala. 1975, as amended, further provides that the Director of Public Safety of the State of Alabama is authorized to suspend the driver license of a driver whom he/she determines to be: (1) a habitually reckless or negligent driver of a motor vehicle, or (2) is a habitual violator of the traffic laws.

However, there is no clear, uniform basis upon which the Director may act in finding that the driver license of a person should be suspended on either or both of the above grounds. Therefore, in order to establish a uniform system of suspending a driver license on either or both of the grounds listed in Section 32-5A-195, the following classifications of point values shall be assessed for the following enumerated offenses against each driver, occurring within or without the State of Alabama:

- (a) Any conviction which resulted from a charge that involved the drinking of alcoholic beverages and the driving of a motor vehicle but did not require mandatory revocation of the driver license.....6 points
- (b) Reckless driving or reckless endangerment involving operating a motor vehicle.....6 points
- (c) Failure to yield right of way.....5 points
- (d) passing stopped school bus.....5 points
- (e) wrong side of road/illegal passing.....4 points
- (f) following too closely.....3 points
- (g) disregarding traffic control devices.....3 points
- (h) all other moving violations.....2 points
- (i) inability to control vehicle.....2 points
- (j) improper operation of motorcycle..... 2 points
- (k) Speeding violation to include 1-25 mph over speed limit..... 2 points
- (l) Speeding 26 or more over speed limit..... 5 points

- (m) Drinking alcohol while operating a vehicle..... 2 points
- (n) Admin per se..... 6 points
- (o) Fail to obey construction/maintenance zone markers/flagman/police officer/restricted lane.....3 points
- (q) Emergency vehicles violation..... 2 points
- (r) Fail to signal/use incorrect turn signal..... 2 points
- (s) Making improper turn..... 2 points
- (t) Coasting..... 2 points
- (u) Unsafe operation..... 2 points

(2) The Director shall suspend a driver license in accordance with the following schedule, provided, however, that the Director may modify or alter the suspension period as set out below, if upon the completion of the administrative hearing, the findings warrant a different suspension period:

- (a) 12-14 points in a 2-year period.....60 days
- (b) 15-17 points in a 2-year period.....90 days
- (c) 18-20 points in a 2-year period.....120 days
- (d) 21-23 points in a 2-year period.....180 days
- (e) 24 and above Points in a 2-year period...365 days

(3) Upon receipt of notice of the suspension of his/her driver license, the driver may request a pre-suspension or administrative hearing in the county of his/her residence before an agent of the Director of Public Safety. If a driver requests a pre-suspension hearing within 10 days of the date of the notice, suspension is deferred until date of hearing. The result of this hearing will be forwarded to the Director of the Department of Public Safety who shall either affirm, rescind, or reduce the period stated in said order of suspension or good cause appearing therefore, may extend the period of suspension of such license.

(4) Upon notification of the results of the administrative hearing, the driver, if dissatisfied with the results of said hearing, has 30 days within which he/she may appeal to the circuit court of the county of his/her residence.

(5) Reports of traffic convictions shall retain their point value for suspension purposes for a period of two years from the date of conviction.

(6) If upon an administrative hearing the period of suspension is mitigated, the points shall remain effective during any period or probation which may be imposed.

(7) If a licensee changes his/her name or address, he/she shall notify the Department of Public Safety, Driver License Division, within 30 days.

History: Filed April 23, 1982. **Amended:** Filed November 12, 1996; effective December 17, 1996. **Amended:** Filed March 13, 2009; effective April 17, 2009. **Amended:** Published June 30, 2021; effective August 14, 2021.

760-X-1-.08 Safety Responsibility Act Administrative Hearing.

(1) In all administrative hearings conducted pursuant to a request under Code of Ala. 1975, §32-7-3, the Hearing Officer designated by the Director, shall, in addition to all other matters required by law to be determined, ascertain whether or not there is a reasonable possibility of a judgment or judgments being rendered against the licensee.

(a) Nature of Hearing

1. The hearing will be ex-parte, strictly administrative in nature, and as such will be informal.

(b) Pre-Suspension Hearing

1. Upon receipt of the notice of Order of Suspension, the licensee may request a pre-suspension administrative hearing in the county of his residence before a Hearing Officer designated by the Director.

2. A request for a pre-suspension hearing must be made in writing to the Director within fifteen (15) days of the date of issuance of the notice of Order of Suspension.

3. If a request is made within fifteen (15) days, the Order of Suspension shall be deferred until the result of the hearing is final. The Hearing Officer will forward the results of the hearing to the Director of the Department of Public Safety for review. The Director will either confirm, modify, or set aside the Order of

Suspension and notify the licensee his decision in writing.

(c) Post-Suspension Hearing

1. Any request for a hearing made after the fifteen (15) day period above mentioned, will not defer the Order of Suspension.

2. When hearing, which was not requested within the fifteen (15) day period above mentioned, is held subsequent to the effective date of the Order of Suspension, the Hearing Officer shall prior to holding any hearing demand the surrender of the suspended license and/or registration certificates and license plates and shall hold the same during the hearing, unless these are already surrendered. However, if at the hearing, it is determined by the Hearing Officer that the suspendee either does not come under the provisions of the Act or comes under an exception to the Act, the Hearing Officer shall return the license and/or registration certificates and license plates to the suspendee to be retained by him until final determination is made by the Director of Public Safety.

3. After the completion of the hearing, the Hearing Officer shall forward to the Director of Public Safety the results of the hearing and any license and/or registration certificates and license plates surrendered to the Hearing Officer and retained by him. After review of the results of the hearing, together with any other relevant records and information available to him, the Director of Public Safety shall confirm, modify or set aside the suspension and shall notify the licensee of his decision.

**Defining The Adequacy Of Brakes, And Prescribing
The Performance Standards Thereof, Of Motor
Vehicles Using The Highways Of The State Of
Alabama.**

(1) Brake Equipment Required - Every motor vehicle, trailer, and pole trailer, and any combination of such vehicles operating upon a highway within this state shall be equipped with brakes in compliance with the requirements of this section.

(a) Service Brakes-Adequacy - Every such motor vehicle and combination of vehicles shall be equipped with service brakes

complying with the performance requirements of this rule and adequate to control the movement of and to stop and hold such vehicle under all conditions of loading, and on any grade incident to its operation.

(b) Service Brakes-Adequacy - Every such vehicle and combination of vehicles except motorcycles and motor driven cycles, shall be equipped with parking brakes adequate to hold the vehicle on any grade on which it is operated, under all conditions of loading on any surface free from snow, ice, or loose material. The parking brakes shall be capable of being applied in conformance with the foregoing requirements by the driver's muscular effort or by spring action or by equivalent means. Their operation may be assisted by the service brakes or other source of power provided that failure of the service brake actuation system or other power assisting mechanism will not prevent the parking brakes from being applied in conformance with the foregoing requirements. The parking brakes shall be so designed that when once applied they shall remain applied with the required effectiveness despite exhaustion of any source or energy or leakage of any kind. The same brake drums, brake shoes and lining assemblies, brake shoe anchors and mechanical brake shoe actuation mechanism normally associated with the wheel brake assemblies may be used for both the service brakes and the parking brakes. If the means of applying the parking brakes and the service brakes are connected in any way, they shall be so constructed that failure of any one part shall not leave the vehicle without operative brakes.

(c) Brakes on all Wheels - Every vehicle shall be equipped with brakes acting on all wheels except:

1. Trailers, Semi-Trailers, or Pole Trailers of a gross weight not exceeding 3,000 pounds, provided that:

- (i) The total weight on and including the wheels of the trailer or trailers shall not exceed 40 percent of the gross weight of the towing vehicle when connected to the trailer or trailers, and

- (ii) The combination of vehicles, consisting of the towing vehicle and its total towed load, is capable of complying with the performance requirements of this rule.

2. Any vehicle being towed in driveway or tow away operations provided the combination of vehicles is capable of complying with the performance requirements of this rule.

3. Trucks and truck-tractors having three or more axles need not have brakes on the front wheels, except that

when such vehicles are equipped with at least two steerable axles, the wheels of one steerable axle need not have brakes. However, such trucks and truck-tractors must be capable of complying with the performance requirements of this rule.

4. The wheel of a sidecar attached to a motorcycle or to a motor-driven cycle or the front wheel of a motor-driven cycle need not be equipped with brakes, provided that such motorcycle or motor-driven cycle is capable of complying with the performance requirements of this rule.

(d) Automatic Trailer Brake Application Upon Breakaway. Every trailer, semi-trailer, and pole trailer equipped with air or vacuum actuated brakes and every trailer, semi-trailer, and pole trailer with a gross weight in excess of 3,000 pounds, manufactured or assembled after January 1, 1972, shall be equipped with brakes acting on all wheels and of such character as to be applied automatically and promptly, and remain applied for at least fifteen minutes, upon breakaway from the towing vehicle.

(e) Tractor Brakes Protected. Every motor vehicle manufactured or assembled after January 1, 1972, and used to tow a trailer, semi-trailer or pole trailer equipped with brakes, shall be equipped with means for providing that in case of breakaway of the towed vehicle, the towing vehicle will be capable of being stopped by the use of its service brakes.

(f) Trailer Air Reservoirs Safeguarded. Air brake systems installed on trailers manufactured or assembled after January 1, 1972, shall be so designed that the supply reservoir used to provide air for the brakes shall be safeguarded against backflow of air from the reservoir through the supply line.

(g) Two Means of Emergency Brake Operation.

1. Air Brakes. After January 1, 1972, every towing vehicle manufactured or assembled after that date, when used to tow another vehicle equipped with air controlled brakes, in other than driveaway or towaway operations, shall be equipped with two means for emergency application of the trailer brakes. One of these means shall apply the brakes automatically in the event of a reduction of the towing vehicle air supply to a fixed pressure which shall be not lower than 20 pounds per square inch not higher than 45 pounds per square inch. The other means shall be a manually controlled device for applying and releasing the brakes, readily operable by a person seated in the driving seat, and its emergency position or method of operation shall be clearly indicated. In no instance may the manual means be so arranged as to permit its use to prevent operation of the

automatic means. The automatic and the manual means required by this section may be, but are not required to be, separate.

2. Vacuum Brakes. After January 1, 1972, every towing vehicle manufactured or assembled after that date used to tow other vehicles equipped with vacuum brakes, in operations other than driveaway or towaway operations, shall have in addition to the single control device required by subsection (h), a second control device which can be used to operate the brakes on towed vehicles in emergencies. The second control shall be independent of brake air, hydraulic, and other pressure, and independent of other controls, unless the braking system be so arranged that failure of the pressure upon which the second control depends will cause the towed vehicle brakes to be applied automatically. The second control is not required to provide modulated braking.

(h) Single Control to Operate All Brakes. After January 1, 1972, every motor vehicle, trailer, semi-trailer and pole trailer, and every combination of such vehicles manufactured or assembled after that date, except motorcycles and motor-driven cycles, equipped with brakes shall have the braking system so arranged that one control device can be used to operate all service brakes. This requirement does not prohibit vehicles from being equipped with an additional control device to be used to operate brakes on the towed vehicles. This regulation does not apply to driveaway or towaway operations unless the brakes on the individual vehicles are designed to be operated by a single control on the towing vehicle.

(i) Reservoir Capacity and Check Valve.

1. Air Brakes. Every bus, truck or truck tractor with air operated brakes shall be equipped with a least one reservoir sufficient to insure that, when fully charged to the maximum pressure as regulated by the air compressor governor cutout setting, a full service brake application may be made without lowering such reservoir pressure by more than 20 percent. Each reservoir shall be provided with means for readily draining accumulated oil or

2. Vacuum Brakes. After January 1, 1972, every truck with three or more axles equipped with vacuum assist type brakes and every truck-tractor and truck used for towing a vehicle equipped with a reserve capacity or a vacuum reservoir sufficient to insure that, with the reserve capacity or reservoir fully charged and with the engine stopped, a full service brake application may be made without depleting the vacuum supply by more than 40 percent.

3. Reservoir Safeguarded. All motor vehicles, trailers, semi-trailers and pole trailers, when equipped with air or vacuum reservoirs or reserve capacity as required by this section, shall have such reservoirs or reserve capacity so safeguarded by a check valve or equivalent device that in the event of failure or leakage in its connection to the source of compressed air or vacuum, the stored air or vacuum shall not be depleted by the leak or failure.

(j) Warning Devices

1. Air Brakes. Every bus, truck or truck-tractor using compressed air for the operation of its own brakes or the brakes on any towed vehicle shall be provided with a warning signal, other than a pressure gauge, readily audible or visible to the driver, which will operate at any time the air reservoir pressure of the vehicle is below 50 percent of the air compressor governor cutout pressure. In addition, each such vehicle shall be equipped with a pressure gauge visible to the driver, which indicates in pounds per square inch the pressure available for braking.

2. Vacuum Brakes. After January 1, 1972, every truck tractor and truck first put in use to be used for towing a vehicle equipped with vacuum operated brakes and every truck with three or more axles using vacuum in the operation of its brakes, except those in driveaway or towaway operations shall be equipped with a warning signal, other than a gauge indicating vacuum, readily audible or visible to the driver, which will operate at any time the vacuum in the vehicle's supply reservoir or reserve capacity is less than eight inches of mercury.

3. Combination of Warning Devices. When a vehicle required to be equipped with a warning device is equipped with both air and vacuum power for the operation of its own brakes or the brakes on a towed vehicle, the warning devices may be, but are not required to be, combined into a single device which will serve both purposes. A gauge or gauges indicating pressure or vacuum shall not be deemed to be an adequate means of satisfying this requirement.

(2) Performance Ability of Brakes.

(a) Every motor vehicle and combination of vehicles, at all times and under all conditions of loading, upon application of the service brake, shall be capable of:

1. Developing a braking force that is not less than the percentage of its gross weight tabulated herein for its classification.

2. Decelerating to a stop from not more than twenty miles per hour at not less than the feet per second tabulated herein for its classification, and

3. Stopping from a speed of twenty miles per hour in not more than the distance tabulated herein for its classification, such distance to be measured from the point at which movement of the service brake pedal or control begins.

(b) Tests for deceleration and stopping distance shall be made on a substantially level (not to exceed plus or minus one percent grade), dry, smooth, hard surface that is free from loose material.

Classification of Vehicles	Braking Force As A Percentage of Gross Vehicle or Combination Weight	Deceleration in Feet Per Second	Brake System Application & Braking Distance in Feet from an Initial Speed of 20 M.P.H
1. Passenger vehicles with a seating capacity of 10 people or less including driver, not having a manufacturer's gross rating	52.8%	17	25
2. All motorcycles & motor-driven cycles	43.5%	14	30
3. Single unit vehicles with a manufacturer's gross weight rating of more than 10,000 pounds	43.4%	14	30
4. Single unit vehicles with a manufacturer's gross weight rating of more than 10,000 pounds	43.5%	14	40

Classification of Vehicles	Braking Force As A Percentage of Gross Vehicle or Combination Weight	Deceleration in Feet Per Second Second	Brake System Application & Braking Distance in Feet from an Initial Speed of 20 M.P.H
5. Combination of a two-axle towing vehicle and a trailer with a gross trailer weight of 3,000 pounds or less	43.5%	14	40
6. Buses, regardless of the number of axles, not having a manufacturer's gross weight rating	43.5%	14	40
7. All combinations of vehicles in driveaway- towaway operations	43.5%	14	40
8. All other vehicles and combinations of vehicles	43.5%	14	50

(3) Maintenance of Brakes

(a) All brakes shall be maintained in good working order and shall be so adjusted as to operate as equally as practicable with respect to the wheels on opposite sides of the vehicle.

**To Provide For Persons To Be Designated To Act In
Loco Parentis For Fifteen (15) Year Old Learner
Permit Holders.**

(1) Code of Ala. 1975, §32-6-8, provides that a person not less than fifteen (15) but under sixteen (16) years of age may obtain a permit to learn to operate a motor vehicle, which permit shall entitle such person to operate a motor vehicle when he or she is

accompanied by a parent or his or her legal guardian who is duly licensed in this state as a motor vehicle operator, or when accompanied by a licensed or certified driving instructor, who is actually occupying a seat beside the motor vehicle operator.

(2) If neither parent or guardian holds a license to operate a motor vehicle, the parent or guardian may at the time the fifteen (15) year old makes application for a learner's permit name a person or persons not to exceed two (2) to act in loco parentis to supervise the permit holder. The driver license examiner shall list the persons to act in loco parentis on a special form and have the parent or guardian sign the form in duplicate. One copy will be kept with the application and the other copy will be attached to the learner's permit.

760-X-1-.12 Regulations To Suspend Or Revoke Driver License For Failing To Appear In Court.

(1) Any person who is a resident of the State of Alabama or any person who has an Alabama driver license and is arrested for a violation of any provision of any law, ordinance, or promulgated rule of any state, county, city, Territory of the United States or Province of Canada which if committed in this state would be punishable as a misdemeanor under Code of Ala. 1975, Title 32, who is issued a summons or otherwise notified or instructed in writing to appear at a time and place specified in such summons or notice and is released on sufficient written bond, approved by the arresting officer, or is otherwise released, and who violates his written bond to appear or who otherwise fails to appear shall be subject to the provisions of this rule as defined and described in paragraph B.

(2) When the Director of Public Safety receives written notice from the court, or the licensing authority of the state, Territory or Province, where the offense was committed that such person has violated his written bond to appear or otherwise failed to appear as instructed or notified, the Director shall suspend the driver license and driving privilege of the defaulting driver until

notified by the court or licensing authority that such driver has complied with a notice to appear.

(3) The Director of Public Safety, upon suspending any license shall require that such license be surrendered and be retained by the Director of Public Safety until final notice has been received from the Court or licensing authority that the driver has complied with a notice to appear. If such licensee refused to surrender such license, he shall be considered in violation of this rule, and shall be subject to the penalties provided by Code of Ala. 1975, §32-6-18.

760-X-1-.16 Motor Carrier Safety And Hazardous Material Regulations.

(1) Part 107, Subpart B, Part 40, Parts 171-180, Part 382, Part 383, Part 384, and Parts 390-399 of Title 49, Code of Federal Regulations of the U.S. Department of Transportation and as they may be amended in the future are hereby adopted as part of Promulgated Rule No. 760-X-1-.16 of the Alabama Department of Public Safety.

(a) The Alabama Department of Public Safety shall have the authority to enforce these regulations.

(b) These regulations shall apply to all motor carriers both inter and intra, private, for hire, etc., where practical.

(c) Whenever these regulations require notification of the Department of Transportation, the Alabama Department of Public Safety shall be notified.

(2) In order to become certified in proper metal coil load securement, as required by Code of Ala. 1975, §32-9A-2(a)(4)a, a commercial vehicle operator must do one of the following:

(a) Obtain a certificate that notes the commercial vehicle operator's successful completion of the Securing Metal Coils Course that can be accessed through the website www.metalcoiltraining.com and that is generated by the testing website upon passage of the exam that is part of that course;

(b) Obtain an endorsement on his/her state commercial driver's license that specifically notes his/her authorization to haul metal coils in the licensing state; or

(c) Obtain a State of Alabama Metal Coil Certificate issued to the commercial vehicle operator by his/her motor carrier, if the motor carrier is authorized by the Alabama Department of Public Safety to issue the Alabama Metal Coil Certificate.

1. In order to have authority to issue a State of Alabama Metal Coil Certificate, a motor carrier must mail the Alabama Department of Public Safety's Motor Carrier Safety Unit a notarized affidavit from the motor carrier's safety compliance officer that states the safety compliance officer has personal knowledge that the motor carrier requires every commercial vehicle operator to receive training before hauling metal coils for the motor carrier in the requirements for securing metal coils set forth by 49 C.F.R. §393.120.

2. Upon receipt of the affidavit, the Alabama Department of Public Safety will mail or electronically mail a letter to the motor carrier that will provide the motor carrier with the website address, user id, and password needed to gain access to the certificates.

(3) A commercial vehicle operator shall not be considered certified for purposes of Code of Ala. 1975, §32-9A-2(a)(4)a, unless his/her certificate or license endorsement is filled out in full.

760-X-1-.17 Regulation On Window Tinting.

(a) As used in this Rule, the term:

1. "Light reflectance" means the ratio of the amount of total light that is reflected outward by a product or material to the amount of total light falling on the product or material.

2. "Light transmission" means the ratio of the amount of total light, expressed in percentages, which is allowed to pass through a surface to the amount of light falling on the surface.

3. "Manufacturer" means a person who produces or assembles a vehicle glass-coating material or who fabricates, laminates, or tempers a safety-glazing material, which material reduces light transmission.

4. "Material" means any transparent product or substance which reduces light transmission.

(b) Except as provided in this Code section, from and after March 1, 1991, it shall be unlawful for any person to operate a motor vehicle registered in this state:

1. Which has material and glazing applied or affixed to the front windshield, which material and glazing when so applied or affixed reduce light transmission through the windshield; or

2. Which has material and glazing applied or affixed to the rear windshield or the side or door windows, which material and glazing when so applied or affixed reduce light transmission through the windshield or window to less than 32 percent or increase light reflectance to more than 20 percent.

(c) The provisions of section (2) of this Rule section shall not apply to:

1. Adjustable sun visors which are mounted forward of the side windows and are not attached to the glass;

2. Signs, stickers, or other matter which is displayed in a seven-inch square in the lower corner of the windshield farthest removed from the driver or signs, stickers, or other matter which is displayed in a seven-inch square in the lower corner of the windshield nearest the driver;

3. Direction, destination, or termination signs upon a passenger common carrier motor vehicle if the signs do not interfere with the driver's clear view of approaching traffic;

4. Any transparent item which is not red or amber in color which is placed on the uppermost six inches of the windshield;

5. Any federal, state, or local sticker or certificate which is required by law to be placed on any windshield or window;

6. Any other vehicle, the windows or windshields of which have been tinted or darkened before factory delivery or permitted by federal law or regulation, except for those windows to the right and left of the driver; or

7. Any motor vehicle not registered in this state.

(d) The Department of Public Safety may, upon application from a person required for medical reasons to be shielded from the direct rays of the sun and only if such application is supported by written attestation of such fact from a person licensed to practice medicine under Chapter 24 of Title 34, issue an exemption from the provisions of this Rule for any motor vehicle owned by such person or in which such person is a habitual passenger. The exemption shall be issued with such conditions and limitations as may be prescribed by the Department of Public Safety.

(e) From and after March 1, 1991, each manufacturer of material designed to be affixed or applied to the windows or windshields of a motor vehicle may, before shipping such material into this state, apply to the director of public safety for approval and registration of its material and the label for identification and certification of compliance. No material shall be approved by the director unless the manufacturer demonstrates that such material, when applied or affixed to a window, shall not reduce light transmission or increase light reflectance in violation of section (2) of this Rule. The manufacturer of any material shipped into this state on or after March 1, 1991, shall provide labels of a size and type approved by the director, written instructions for the placement of such labels, and a notice that the improper installation of material to a window or windshield or the failure to display a label as provided in this section is a violation of state law. It shall be unlawful for any person to alter or reproduce any label approved by the director or to knowingly use any approved label except as authorized by this Rule.

(f) From and after March 1, 1991, any motor vehicle which has material and glazing applied or affixed to the windows or rear windshield of such vehicle, which material and glazing have reduced the light transmission through such window or windshield or increased the light reflectance of such window or windshield, shall display a label visible from the outside such vehicle indicating that such windows and windshield are in compliance with

the light transmission and light reflectance requirements as provided in section (2) of this Rule. From and after March 1, 1991, no person shall install any material upon the windshield or windows of any motor vehicle, the installation of which would result in a reduction of light transmission or an increase in light reflectance in violation of section (2) of this Rule.

(g) This rule regulates the use of nontransparent material on vehicles as provided in §32-5-215, Code of Ala. 1975, as amended.

760-X-1-.19 Requirement The Social Security Number Be Divulged In Order To Obtain A Driver License And Non-Driver Identification Card.

(1) All persons eligible for a social security number applying for a driver license shall be required to furnish to the Alabama Department of Public Safety their social security number in order to obtain an Alabama driver license except as provided for in Paragraphs 4 and 5.

(2) The Department shall use such numbers for the purpose of administering the driver license laws of this state and for such other purposes as may be permitted under state and federal law.

(3) The Department shall maintain the confidentiality of social security numbers obtained by it except to the extent the use of such numbers is permitted by state and federal law.

(4) Foreign Nationals legally residing in the State of a period exceeding six months and who are not authorized a social security number are not required to provide a social security number prior to making application for a driver license or non-driver identification card. Proof of Authorized Presence, as defined in 760-X-1-.20, in the United States for a period exceeding six months from the date of application for a driver license shall be provided by the applicant to the Department at the time of application.

(5) United States citizens who, based upon sincere, well established religious objections, do not have a social security number assigned to them, must provide verifiable proof from the Social Security Administration that a social security number has never been assigned to them.

ADDITIONAL SECONDARY FOR NON-U.S. CITIZENS

Employment Authorization Document - with valid social security card

Valid visa authorizing presence in the country for a period exceeding six months (see 5(a) below for listing of visa classifications acceptable for consideration)

Valid I-94 Arrival/Departure Record issued by the DHS

Original Form I-797, Notice of Action, issued by the DHS showing approval of change of status or extension of stay

Original Form I-797, Notice of Action, issued by the DHS evidencing timely filing of an extension petition

Social Security Card is required of all applicants who have been assigned and/or are eligible for the assignment of a social security number by the Social Security Administration. For citizens of the United States who, based upon sincere, well-established religious objections, do not have a social security number assigned to them, must provide, along with other documents evidencing identification of the applicant, verifiable proof from the Social Security Administration that a social security number has never been assigned to them. For foreign nationals whose legal presence in the United States extends beyond 160 days from the

date of application for an Alabama driver's license and who produce verifiable proof from the Social Security Administration that they are ineligible for the assignment of a social security number, see paragraph five (5) below. This exception to the social security number requirement is inapplicable to the issuance of Commercial Driver's Licenses (CDL). Information required for the issuance of Commercial Driver's Licenses is governed by the provisions of 32-6-49.1 et. seq, Code of Ala. 1975, as amended.

*Required for all 15 year old United States citizen applicants under Title 32-6-8(b). Foreign-born applicants must have their birth certificate translated into English and certified by the Embassy of the country of issuance unless they have obtained a United States Passport, which may be used to prove their date of birth.

(b) Present three (3) forms of non-photo identification (one form must be from the "Primary Listing").

(c) Applicants transferring an out of state driver license must present their out of state driver license, Social Security card (or one of the other acceptable documents for social security number) **AND** one other form from the "Primary Listing".

(2) In both sections, (a) and (b) above, one form of identification must be from the primary list and the other form(s) must be from either the primary or secondary lists.

(3) In addition to the identification requirements above, an applicant who has been deported from the United States must present proof from the Bureau of Immigration and Customs Enforcement (ICE) that their legal presence status has been restored.

(4) Legal Date of Birth Requirements. All applicants for any type of Alabama driver license or non-driver identification card must meet the age requirements relevant to the license or permit.

Proof of Legal Presence

(5) For the purposes of administering the licensing of foreign national applicants for an Alabama driver's license and non-driver identification cards, the Department of Public Safety presumes their status in the United States to be unauthorized until the applicant presents documents evidencing, to the satisfaction of the Department, that their presence in the United States is authorized. License examiners may, in lieu of a social security number, consider a variety of documents in determining authorized presence. Alternative documents include, but are not limited to, original or certified copies of one or more on the following list. The production by the applicant of one or more of the following

documents does not ensure the applicant will be processed for the issuance of an Alabama driver's license.

- (a) I-551 stamp in foreign passport, or
- (b) I-551 stamp on INS Form I-94, arrival-departure record,
- (c) Refugee, asylee, and parolee classifications only when accompanied by proper ICE/DHS documentation.
- (d) Proof of non-immigration classification provided by the United States Department of Homeland Security (including, but not limited to: valid I-94 Arrival/Departure Record issued by the DHS; original Form I-797 Notice of Action issued by the DHS showing approval of change of status or extension of stay; or original Form I-797 Notice of Action issued by the DHS evidencing timely filing of an extension petition.
- (e) United States Department of Defense Uniformed Services Identification Card along with international travel order (ITO) for international military student (IMS).
- (f) Valid Employment Authorization Document ("EAD) issued by the U.S. Department of Homeland Security with valid foreign passport.

(5a) Any person lawfully present in the United States in the following nonimmigrant categories is eligible to apply for an Alabama driver's license/learner's license/non-driver identification card/vessel license: A, B, E, F, G-4, H, I, J, K, L, M, NATO, O, P, Q, R, S, T, TN, TD, TPS or U visa categories. Note: F and M visa holders must also present Form I-20; J-1 and J-2 visa holders must also present Form DS-2019 or IAP-66.

**MINIMUM AGE REQUIREMENTS FOR
ALABAMA DRIVER LICENSE AND NON-DRIVER
IDENTIFICATION CARDS**

Type	Age
Identification Card	No Age Requirement
Class D Learner License	15 years old
Class D	16 years old
Motor Driven Cycle	14 years old
Vessel Endorsement	12 years old
CDL Class A Unrestricted	21 years old

CDL Class B Unrestricted	21 years old
CDL Class B Restricted	18 years old
CDL Class C	21 years old

(6) A record existing on the driver license database as the result of a previously issued Alabama driver license or Alabama non-driver identification card may be considered proof of birth date. If no such record exists, only an original or certified copy of one of the "Primary Listed" documents could be accepted as proof of birth date.

(7) Documentation Requirements

(a) Only a document, which is an original or a copy certified by the issuing agency will be accepted. If a document is a copy, the certification attached to it must be original.

(b) A document would be unacceptable if:

1. Correction fluid (white-out) has been used on pertinent information.
2. Erasure markings appear on pertinent information.
3. Pertinent information is missing.
4. Pertinent information is illegible.
5. Alterations appear in pertinent information.
6. A fold, crease, tear or hole obliterates or distorts pertinent information.
7. A staple obliterates or distorts pertinent information.
8. The document is not properly signed.

(8) Social Security Number Requirements.

(a) Proof of Social Security number must be presented by the applicant under the following circumstances, unless the number is already in the database:

1. When applying for any class driver license, driver license renewal, vessel license, or non-driver identification card, whether or not the applicant wishes to have the number appear on the license.

(b) An original of one of the following documents is required as proof of Social Security number:

1. Social Security Card.
2. A certified letter (on letterhead) from the Social Security Administration stating the person's name and Social Security number or a computer generated printout with the applicant's information and the Social Security Administration's official stamp affixed.
3. United States Military Identification Card.
4. United States Military form DD 214.
5. Medicare/Medicaid Identification Card (if Social Security number is followed by the letter A).
6. W2 Tax Form.

Foreign Jurisdiction Convicted Sex Offender Registration, Notification, And Due Process Hearings.

All persons convicted of any sex related crime are required by statute to register with law enforcement. This includes persons convicted in states other than Alabama, federal courts, tribal territories, United States territories, and other jurisdictions. Persons convicted in jurisdictions other than Alabama may be entitled to a due process hearing prior to community notification if their conviction does not fall within the parameters of Code of Ala. 1975, Sections 15-20A-1 through 15-20A-48 (2011), the Alabama Sex Offender Registration and Notification Act. Persons convicted in jurisdictions other than Alabama follow the steps below:

(1) Persons convicted in jurisdictions other than Alabama must register by completing ALEA Form 47 upon entering into Alabama to reside, work, or attend school.

(2) When the Department of Alabama Law Enforcement Agency receives the ALEA Form 47, the department will make a determination as to the applicability of the Alabama Sex Offender Registration and Notification Act to the offender. This determination includes whether the offender is entitled to be offered a due process hearing.

(3) If the conviction is for a sex offense as defined in Code of Ala. 1975, Section 15-20A-5, except for those covered in subsection (35), then the offender is automatically subject to the entire Act without a due process hearing. However, if not and community notification is not automatically applied under the Act, the department will make a preliminary determination concerning the applicability of the Act to the offender. If it is determined that the Act should apply to the offender, the department will mail a notice to the offender of the department's determination that also explains how to appeal the determination. The notice will be mailed by certified mail, return receipt requested.

(4) If the notice is returned unclaimed or incorrect address, this will result in waiver of a hearing.

(5) If the offender disagrees with the department's determination, he or she must notify the Alabama Law Enforcement Agency, Legal Unit at P.O. Box 1511, Montgomery, Alabama 36102-1511 in writing within twenty (20) days of receipt of the notice. If the offender fails to notify the department of the hearing request within this time period, this will result in waiver of a hearing.

(6) Appeals of the department's determination will be heard by an Administrative Law Judge provided by the department.

(7) Appeals will be held at the department's office closest to the address of the offender.

(8) Appeal of the decision of the Administrative Law Judge will be with the Circuit Court in Montgomery County, Alabama.

760-X-1-.22 Digital License.

(a) The Alabama Law Enforcement Agency (ALEA) may issue a digital copy of a driver license or non-driver identification card pursuant to Section 32-6-1, Code of Ala. 1975, that may be displayed through an ALEA approved mobile or other software application on a wireless communications or mobile electronic device.

(b) The digital driver license or non-driver identification card may contain all information present on a physical license or identification card. In addition, a digital license or

identification card may include a bar code or other mechanism, as created or approved by ALEA that may be scanned or otherwise utilized to reveal the information.

(c) A licensee may produce an ALEA approved digital copy of his or her license in lieu of possessing a physical license when operating a motor vehicle or vessel.

(d) Upon demand of a judge of any court in this state, a peace officer, or a state trooper, or any other state or local government entity a licensee may produce an ALEA approved digital license or non-driver identification card and it will be recognized as though it was a physical license or identification card. The Secretary or his/her designee shall deem how a digital copy of a driver's license or identification card is accepted.

(e) If the licensee displays the digital driver license or identification card through the ALEA approved mobile application, the person is not implicitly consenting to allow access or to search other contents of the wireless communication or electronic device other than provided for by law.

(f) The Secretary of Law Enforcement will apply reasonable standards of security to protect the integrity of the license and privacy of the licensee.

760-X-1-.23 Mandatory Liability Insurance.

A driver operating a motor vehicle is required to comply with the Mandatory Motor Vehicle Liability Insurance Law, Code of Ala. 1975, §32-7A-4. A driver involved in a motor vehicle incident who was not in compliance with the Mandatory Motor Vehicle Liability Insurance Law and who was not given a criminal citation for noncompliance shall be subject to the penalties provided in Code of Ala. 1975, §41-27-40 through 41-27-48.

(1) Definitions and Abbreviations

(a) ALEA - The Alabama Law Enforcement Agency

(b) Civil Penalty - A penalty imposed for a violation of the Mandatory Motor Vehicle Liability Insurance Law

(c) Driver - An operator of a motor vehicle who is involved in a motor vehicle incident

(d) Insurance - Liability insurance required pursuant to Code of Ala. 1975, §32-7A-4

(e) MLI - Mandatory Motor Vehicle Liability Insurance Law. Chapter 7A, Title 32, Code of Ala. 1975

(f) Motor Vehicle Incident - An incident involving the operator of a motor vehicle where a traffic citation was issued by a law enforcement officer or the operator of a motor vehicle was involved in an accident and an accident report was filed

(g) OIVS - Online Insurance Verification System, Code of Ala. 1975, §32-7B-2

(h) UTTC - Uniform traffic ticket and complaint, Code of Ala. 1975, §12-12-53

(2) Procedure for Determination of Violation

(a) After a motor vehicle incident, every UTTC and accident report issued or filed will be reviewed to determine whether the driver had insurance, and if the driver did not have insurance, whether the driver was given a citation for no insurance at the time of the motor vehicle incident. If a driver did not have insurance and was not issued a citation for failure to comply with MLI, the vehicle and tag information will be run through OIVS to confirm the vehicle being driven was not in compliance with MLI.

(b) If a driver is found to be driving in violation of MLI and the driver was not issued a citation at the time of the motor vehicle incident, a civil penalty will be assessed by ALEA. Notification of the civil penalty will be mailed to the driver via first class U.S. Mail to the address in ALEA's records or an address otherwise available to ALEA on the citation or accident report.

(3) Procedures for the Administrative Resolution of the Notice of Assessment of a Civil Penalty

(a) A driver assessed a civil penalty will be notified of the civil penalty and that his or her driver's license will be suspended for ninety (90) days unless he or she does any of the following:

1. Pays the civil penalty within forty-five (45) days of the notice mail date.

(i) A payment may be made by mailing a money order or cashier's check payable to the Alabama Law Enforcement Agency, Department #SF 66, PO Box

830525, Birmingham, AL 35283-0525 or by Visa or MasterCard by visiting <http://MLI.ALEA.GOV>.

(ii) A payment of the civil penalty cannot be made at an ALEA office.

2. Requests a sixty (60) day extension to pay the civil penalty within forty-five (45) days of the notice mail date. The driver must sign a written settlement agreeing to pay the civil penalty before an extension is granted.

(i) A driver may not ask for a hearing once an extension is requested.

3. Appeals the civil penalty by filing a notice of appeal with the agency within forty-five (45) days of the notice mail date.

(b) The civil penalty must be paid before a person's driver's license can be reinstated.

(c) ALEA must receive a reinstatement fee for a driver to obtain a driver's license once a driver's license is suspended.

(4) Administrative Hearing

(a) A driver who appeals the assessment of the civil penalty is entitled to an administrative hearing. In all administrative hearings conducted pursuant to a request under Code of Ala. 1975, §41-27-43, the Hearing Officer designated by the Secretary, in addition to all other matters required by law to be determined, shall ascertain whether the motor vehicle being operated at the time of a motor vehicle incident was in compliance with MLI.

(b) A request for an administrative hearing may be made by visiting www.alea.gov/hearingrequest, or by written request either faxed to the number listed on the civil penalty notification or mailed to Driver License Hearing Unit, P.O. Box 1471, Montgomery, AL 36102-1471.

(c) The request shall be received by the department within forty-five (45) days of the notice mail date. Failure to request an administrative hearing within the prescribed time shall constitute a waiver of the person's right to an administrative hearing and judicial review.

(d) If an appeal is timely made, the suspension of the driver's license shall be stayed until the result of the hearing is final.

(e) The hearing shall be scheduled as quickly as practicable and not more than thirty (30) days after the filing of the request for a hearing.

(f) The hearing shall be held at a location designated by the Secretary unless the parties agree to a different location.

(g) ALEA shall provide a written notice of the time and place of the hearing to the party requesting the hearing at least five (5) days prior to the scheduled hearing, unless the parties agree to waive this requirement.

(h) The hearing shall be before a driver license hearing officer or other hearing officer appointed by ALEA.

(i) The hearing will be strictly administrative in nature, and will be informal.

(j) The sole issue at the hearing will be whether the motor vehicle being operated at the time of the motor vehicle incident was in compliance with MLI.

(k) The driver license hearing officer or other hearing officer appointed by ALEA may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant documents.

(l) The driver license hearing officer or other hearing officer appointed by ALEA shall make a final determination that either upholds the civil penalty or withdraws the civil penalty.

(m) If a driver is found to be driving in violation of MLI the civil penalty must be paid within fifteen (15) days of the noncompliance letter. The driver will receive a ninety (90) day suspension of his or her driver's license for failure to pay the civil penalty within the prescribed time.

(n) Within thirty-five (35) days of the issuance of a final order, a person may file a petition in the circuit court of the county where the offense occurred, the county of the driver's residence or Montgomery County for judicial review.

760-X-1-.24 Hardship Driver License.**(1) Definitions:**

(a) Hardship Driver License Applicant - A person disqualified from holding a driver license by state law, who can provide supporting documentation as requested by the Alabama Law Enforcement Agency ("ALEA"), and who is:

1. Currently participating in a work release program run, regulated, or recognized by the Alabama Department of Corrections ("ADOC") as demonstrated by a letter or other document provided from the program director or designee; or

2. Currently participating in a community corrections program ("CCP") that is recognized by an Alabama circuit, district, or municipal court and is in compliance with the ADOC's minimum standards as demonstrated by a letter or other document provided from the CCP program director or designee; or

3. An individual released from ADOC custody:

(i) upon completion of sentence;

(ii) after being granted parole by the Alabama Bureau of Pardons and Paroles ("the Bureau");

(iii) following a period of confinement served in the custody of the ADOC of up to 45 days ("dunk") imposed by the Bureau with return to parole supervision;

(iv) Pursuant to mandatory release (Section 15-22-26.2, Code of Ala. 1975, as amended);

(v) As otherwise provided by law, including persons returned to probation supervision following a period of confinement ("dunk") imposed by the sentencing court of up to 45 days in the custody population of the ADOC; or

4. A person with a suspended or revoked Alabama driver license who can demonstrate to the reasonable satisfaction of ALEA that he/she does not pose a risk to public safety and who can fully demonstrate to the reasonable satisfaction of ALEA that he/she cannot obtain reasonable transportation. Persons whose driver license is currently suspended or revoked for a serious traffic offense pursuant to Title 32 of the Code of Alabama are

considered a risk to public safety for purposes of this rule.

(b) Hardship Driver License - A Class D driver license with specified and limited driving privileges. Unless otherwise specified herein, a hardship driver license shall be subject to all laws, rules, regulations, restrictions, and limitations that apply to Class D driver licenses. A hardship driver license strictly limits the operation of a motor vehicle to the following circumstances:

1. for the purpose of driving to or from the hardship driver licensee's place of employment, job training, job readiness programming, or job interviews;
2. for the purpose of driving to or from a religious service, affiliated religious function, or a civic event recognized to meet basic secular needs for full societal participation;
3. for the purpose of driving to or from a sanctioned educational institution recognized by the State of Alabama where the individual is a regularly enrolled student; schools or childcare facilities where a family member or dependent is enrolled; or events sanctioned by the school or childcare facility where the student, family member, or dependent is enrolled. This rule shall in no way diminish or affect the limitations or requirements of §15-20A-17, Code of Ala. 1975, as amended, which pertain to adult sex offenders, or the limitations or requirements of any other state or federal law, rule, or regulation;
4. for the purpose of driving to or from any court-ordered program, treatment, community service, or event, including but not limited to drug or alcohol counseling or other rehabilitation program; court appearance; supervising probation and parole field office for reporting or programming; CCP; or work release program;
5. for the purpose of driving to or from a scheduled medical or mental health treatment appointment, a pharmacy for obtaining prescriptions, or in the event of a medical emergency;
6. for the purpose of driving to or from purchasing food and household necessities and performing essential household duties; and/or
7. for the purpose of driving to or from voting, if eligible.

(c) Disqualified from Holding a Driver License - For purposes of §32-6-12.1, Code of Ala. 1975, as amended, a person with a suspended or revoked Alabama driver license, including but not limited to suspension or revocation due to criminal conviction, adjudication, or a finding of delinquency as provided by law or a person whose driver license has been suspended or revoked as a civil penalty.

(2) Upon receiving an application for a hardship driver license from an individual who meets one of the hardship driver license applicant criteria specified in Alabama Administrative Code Section 760-X-1-.24(1)(a) and is not excluded from eligibility pursuant to Alabama Administrative Code Section 760-X-1-.24(7) or otherwise, ALEA may issue a hardship driver license. Applications for a hardship driver license and must be submitted to the ALEA Driver License, Hardship Unit.

(3) An initial application for a hardship driver license must include:

(a) the completed Application for Hardship Driver License Form, available on ALEA's website and at official ALEA Driver License Offices throughout the state.

(b) the driver license number that is suspended or revoked.

(c) for individuals meeting the hardship driver license applicant criteria in subsections 760-X-1-.24(1)(a)(1-3), a letter or document from the applicable authorized official stating that the applicant is eligible and meets the criteria pursuant to §32-6-12.1, Code of Ala. 1975, as amended.

(d) relevant driver information required by ALEA, including but not limited to that required by Alabama Administrative Code Sections 760-X-1-.19 and 760-X-1-.20 and any amendments thereto.

(e) proof of applicable insurance as required by Alabama Administrative Code Section 760-X-1-.24(6).

(4) Hardship Driver License Validity Period:

(a) A hardship driver license shall have an initial validity period of four years.

(b) An application to reapply for a hardship driver license after the initial validity period will be approved upon the hardship driver licensee's demonstration of good cause to the reasonable satisfaction of ALEA. Good cause includes but is not limited to demonstrable reentry efforts of the applicant and/or substantial progress towards resolving issues preventing the applicant's driver license reinstatement.

(c) A hardship driver license will be void upon driver license reinstatement if such time occurs prior to hardship driver license expiration.

(5) An individual whose driver license has been revoked is subject to examination by the Driver License Examiner as required by law for issuance of a hardship driver license.

(6) An individual whose driver license has been revoked and who is required to carry SR-22 insurance under applicable law is required to carry SR-22 insurance while holding a hardship driver license. Otherwise, an individual is required to carry mandatory liability insurance for the duration of their hardship driver license as required by Alabama Code Sections 32-7A-3, 41-27-40 through 41-27-48, or as otherwise required by law.

(7) A hardship driver license will not be issued:

(a) to a person who has been adjudicated or convicted of driving under the influence pursuant to Alabama Code Section 32-5A-191.

(b) to a driver who has committed any moving violation involving or resulting in serious physical injury or death of another person;

(c) to a person whose driver license is currently suspended or revoked for a serious traffic offense pursuant to Title 32 of the Code of Ala. 1975, as amended;

(d) at the discretion of the ALEA Secretary or his/her designee;

(e) to any person less than 16 years of age;

(f) to a driver who is medically ineligible for a Class D Driver License as provided by law; and

(g) For commercial driving privileges.

(8) The applicant shall have the right to a review by the ALEA Hardship Unit upon denial of his/her hardship application.

(9) Hardship Driver License Revocation:

(a) A hardship driver license shall immediately be revoked as mandated by Sections 32-5A-195(j) and 32-10-1(b), Code of Ala. 1975, as amended, and Alabama Administrative Code Section 760-X-1-.07 or as otherwise required by law.

(b) A hardship driver license shall immediately be revoked for any serious traffic offense as defined by Title 32 of the Code of Alabama for any four moving violations occurring during the

four (4) year hardship license period or for non-compliance with any requirement or limitation provided herein.

(c) A hardship driver license may be revoked at any time subject to the discretion of the ALEA Secretary.

(10) Once revoked, a hardship driver license is not eligible for reinstatement.

(11) Fees: The cost of each hardship driver license issued shall be fixed at the cost of production and issuance of the hardship driver license and such cost shall be paid and remitted to ALEA. Disbursement of fees by ALEA will be in accordance with Class D driver license fees.

(12) Reinstatement of Driver License:

(a) During the hardship driver license validity period, a hardship driver licensee may apply with ALEA for driver license reinstatement. Hardship driver licensees are encouraged to apply for driver license reinstatement as soon as they are eligible and as far as possible in advance of the expiration of their hardship driver license.

(b) All applicable laws, rules, and regulations, including §32-6-17, Code of Ala. 1975, as amended, and Alabama Administrative Code Section 760-X-1-.02, to specifically include payment of all required fees, will apply to driver license reinstatement for any hardship licensee.

(c) A person whose hardship driver license has been revoked shall not be eligible to apply for a driver license until at least six (6) months from the date of the hardship license revocation regardless of the revocation date of their driver license.

(13) A hardship driver license issued pursuant to these rules is only valid in the state of Alabama and shall not be transferred to another state. A hardship driver license shall not be considered REAL ID compliant under applicable federal law.

(14) Neither ALEA nor its officials, employees, agents, or assigns shall bear any criminal and/or civil liability for the use or improper use of a hardship driver license. In addition to the provisions herein, a hardship driver license applicant shall comply with all other existing restrictions and/or requirements under the law related to the acquisition and use of a driver license in Alabama; nothing in these rules shall be deemed to supersede or replace the same.

760-X-1-.25 Nonconsensual Towing.

These rules shall establish procedures governing the use of towing and recovery services for nonconsensual towing directed by the agency of commercial motor vehicles as defined by 49 C.F.R. Part 390.5. The Alabama Law Enforcement Agency shall approve towing and recovery service rates as reasonable based on what is customary in practice of the industry.

(1) Definitions and Abbreviations.

(a) Agency - The Alabama Law Enforcement Agency (ALEA).

(b) Approved Rates - The rates for services of towing operations annually approved by the Agency to reflect market fluctuation within the industry, updated by April 1 of each calendar year, a copy of which shall be maintained at the Agency Headquarters in the Agency's Towing and Recovery Services Policy.

(c) Motor Vehicle - A vehicle intended primarily for use and operation on the public roads and highways which is self-propelled.

(d) Nonconsensual Towing - The moving, transporting, or recovery of a commercial vehicle by an approved towing and recovery service without the prior consent or authorization of the owner or operator of the vehicle pursuant to the Agency's Towing and Recovery Services Policy.

(e) Towing - The moving, transporting, or recovery from private or public property or from a storage facility of a person's commercial motor vehicle, the moving or removing of an unclaimed motor vehicle, as defined in Code of Ala. 1975, §32-8-84, or the immobilization of or preparation for moving or removing of the commercial motor vehicle, for which a fee is charged, either directly or indirectly.

(f) Towing and Recovery Service - An individual or business entity that provides towing and recovery services at the direction of a law enforcement officer of the agency in exchange for a fee or charge.

(g) Commercial Motor Vehicle - Any motor vehicle as defined by 49 C.F.R. Part 390.5, including but not limited to Medium Duty and Heavy Duty Commercial Vehicles.

(h) Trooper Commander - The commander of an agency troop/division, or his/her designee.

(i) Medium Duty Commercial Vehicle - the towing, transport, and recovery of a vehicle with a gross vehicle weight rating of 10,001 pounds to 26,000 pounds.

(j) Heavy Duty Commercial Vehicle - the towing, transport, and recovery of a vehicle with a gross vehicle weight rating of 26,001 pounds and greater.

(2) Commercial Vehicle Owner to have reasonable access to the vehicle or contents. A commercial vehicle owner or his designee shall have reasonable access to the vehicle during normal operating hours for the towing or recovery business in accordance with the Agency's Towing and Recovery Services Policy.

(3) Security deposit required before removal of tractor or trailer. Before the tractor or trailer belonging to the commercial vehicle owner is removed, the commercial vehicle owner shall pay to the towing or recovery business a security deposit up to two thousand dollars (\$2,000.00).

(4) Service Charge Dispute Resolution Process.

(a) Upon a dispute over fees and charges related to towing and recovery services for nonconsensual towing, the commercial motor vehicle owner or the motor vehicle owner's designee must file a written complaint with the towing and recovery service provider and the trooper commander or his/her designee within three (3) business days of receipt of invoice for the services provided.

(b) Upon receipt of the written complaint challenging the fees and charges, the towing and recovery service shall cease any and all storage charges that would accrue during the complaint review procedure.

(c) Upon a dispute over an unpaid invoice, the towing and recovery service provider may file a complaint after thirty (30) days of the date of the invoice but no later than ninety (90) days after that same date.

(d) If no agreement for cost adjustments can be made by the commercial motor vehicle owner or the commercial motor vehicle owner's designee and the towing and recovery service within seven (7) days from the date of

the submission of the complaint under subdivision (a) or (b), the complaint shall be reviewed by the trooper commander or his/her designee with jurisdiction over the location upon which the vehicle was located at the time of towing or recovery. The trooper commander or his/her designee shall make a determination, in writing, on the complaint within three (3) business days as follows:

1. If the trooper commander or his/her designee determines that the fees are reasonable, the towing and recovery service may submit additional charges for any and all reasonable storage fees that have accrued during the complaint procedure.

2. If the trooper commander or his/her designee finds the towing and recovery charges to be in excess of the reasonable rates that are the customary practice of the industry, the trooper commander or his/her designee may adjust the charges accordingly and require the towing and recovery service to comply with the revised fees and charges.

(5) Disciplinary Actions. Any towing and recovery service that violates any provision within Article 3 of Chapter 27 of Title 41 shall be subject to disciplinary action in accordance with the Agency's Towing and Recovery Services Policy, including but not limited to a fine for each violation not to exceed Five Hundred Dollars (\$500.00).

(6) Appeal Procedures.

- (a) Any determination or order by the trooper commander or designee may be appealed in accordance with the Alabama Administrative Procedure Act.

- (b) The party who appeals is entitled to an administrative hearing. In all administrative hearings conducted pursuant to a request under Code of Ala. 1975, §41-27-61, the hearing officer designated by the Secretary of ALEA, in addition to all other matters required by law to be determined, shall ascertain whether the findings of the trooper commander or designee should be upheld.

- (c) A request for an administrative hearing may be made by written request mailed to ALEA, DPS Division, Highway Patrol, P.O. Box 1511, Montgomery, Alabama 36102-1511.

- (d) The request shall be received by the Agency within thirty (30) days of the notice mail date. Failure to request an administrative hearing within the prescribed time shall constitute a waiver of the party's right to an administrative hearing and judicial review.

(e) If an appeal is timely filed, the finding of the trooper commander or his/her designee shall be stayed until the result of the hearing is final.

(f) The hearing shall be scheduled as quickly as practicable and not more than thirty (30) days after the filing of the request for a hearing.

(g) The hearing shall be held at a location designated by the Secretary of ALEA unless all of the parties agree to a different location.

(h) ALEA shall provide a written notice of the time and place of the hearing to all of the parties at least five (5) days prior to the scheduled hearing, unless the parties agree to waive this requirement.

(i) The hearing shall be before an Agency hearing officer or other hearing officer appointed by ALEA.

(j) The hearing will be strictly administrative in nature and will be informal.

(k) The sole issue to be determined at the hearing will be whether the trooper commander or his/her designee's determination was justified.

(l) The ALEA hearing officer or other hearing officer appointed by ALEA may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant documents.

(m) The ALEA hearing officer or other hearing officer appointed by ALEA shall make a final written determination that makes both findings of fact and conclusions of law, which shall either uphold the trooper commander or his/her designee's determination or amend the determination.

(n) If the trooper commander or his/her designee's determination is upheld, compliance with the determination shall be required.

(o) Within thirty-five (35) days of the issuance of a final order, a party may file a petition in the circuit court of the county where the towing services were provided, the county of the complainant's residence or place of business, or Montgomery County for judicial review.

(7) Prohibitions.

(a) The Agency may not receive compensation from a towing and recovery service.

(b) A state trooper or other employee of the Agency may not do any of the following:

1. Receive compensation or receive any other incentive, monetary or otherwise, to use a particular towing and recovery service.

2. Hold any financial interest in a towing and recovery service.

3. Recommend any towing and recovery service in the performance of his or her duties.

(8) Trooper Commander responsibilities. All assignments for towing and recovery services shall be made by the trooper commander or his/her designee with jurisdiction over the location in which the vehicle is located at the time the services are needed and in compliance with the Agency's Towing and Recovery Services Policy.
