**797-X-3-.02      Permits.**

To establish process for determining a permitting system for the use of the park or its facilities. With the approval and the advice of the Commission, the Director may establish a permitting system for the use of the park or its facilities. Permits are required for:

- (1) The reserved use of athletic fields, recreation buildings, camping and group picnic areas and certain other facilities as designated.
- (2) Solicitation of contributions for monies or fundraising events conducted on park property.
- (3) Conducting a parade, procession, demonstrating or disseminating any form of written or oral information.
- (4) Conducting of surveys, scientific or historic research, interviews, or polls. No person or permit holder shall violate any rule or condition on a permit. Violation of a rule or condition of a permit will be cause for immediate revocation of the permit, loss of all privileges of the permit, and

forfeit of any fees paid for the permit. Persons holding a permit for use of a site or facility will be entitled to exclusive use of such site or facility on the dates and between the hours specified in the permit. Persons not holding a permit and using that site or facility must vacate that site or facility upon the arrival of a permit holder. A permit may be cancelled during natural disasters or at times weather conditions threaten public safety.
