**Professional Engineer Retired, Professional
Land Surveyor Retired.**

~~(1) An individual who has been issued a certificate of licensure as a professional engineer or as a professional land surveyor and who chooses to relinquish or not to renew a license may be granted use of the title "Professional Engineer, Retired" or "Professional Land Surveyor, Retired," as applicable, if the individual applies to and is granted approval by the board.~~

~~(2)~~ Applications for Professional Retired Designation must be submitted in the manner outlined by the Board and will be considered by the Board for approval.

~~(3)~~ (2) This designation is not a license and does not allow the individual to practice engineering or surveying. An individual that has been granted this designation that wishes to practice engineering or land surveying will be required to file a new license application and meet the current eligibility requirements of the law and administrative code.

~~(4)~~ (3) The designation does not require renewal and does not expire.
