330-X-10-.05**Roster Designations.**

Chapter 11, Title 34, Code of Ala. 1975 makes no specific designations as to the discipline of engineering or land surveying practice for which a license as Professional Engineer or Land Surveyor shall be issued; however the Board may designate a professional engineer, on the basis of education, experience, and examination as being licensed in a specific discipline of engineering signifying the area in which the engineer has demonstrated competence. This "Roster Designation" is not required to practice or to offer to practice engineering. A licensee that has met the requirements outlined in Section 330-X-10-.05 of the Administrative Code of the Board may also be recognized by "Roster Designation" as being qualified in a specific area of engineering.

Requests for roster designation shall be made in the format provided by the Board and no requests made otherwise will be accepted. All questions on the request must be accurately and thoroughly answered. No fee is required.

Roster Designation(s) :**Professional Engineer - Structural**

A professional engineer licensed in the State of Alabama may also be "Roster Designated" as a structural engineer by submitting a request to the Board that meets one of the following requirements:

(a) Has successfully passed 16 hours of the NCEES Structural Engineering Examinations, or 16 hours of state written structural examinations, and can attest that the majority of their engineering practice during the previous three years has been in the area of structural engineering.

(b) Is currently licensed as a Structural Engineer in any jurisdiction that separately licenses structural engineers through a procedure requiring 16 hours of examinations specific to the practice of structural engineering, and can attest that the majority of their engineering practice during the previous three years has been in the area of structural engineering.

~~(c) Is currently licensed as a Professional Engineer, is in good standing, has 10 years of structural engineering practice, can attest that the majority of their engineering practice during the previous three years has been in the area of structural engineering, and has earned a minimum of 30 professional development hours in the area of structural engineering over the previous 3 years. A request for "Roster Designation" based on experience only must be submitted prior to June 1, 2024.~~
