13. Are you currently* engaged in the excessive use of alcohol or controlled substances or in the use of illegal drugs, or receiving any therapy or treatment for alcohol or drug use, sexual boundary issues, or mental health issues?

*The term "currently" does not mean on the day of, or even in the weeks or months preceding, the completion of this application. Rather, it means recently enough that the condition referred to may have an ongoing impact on one's functioning as a physician within the past two years.

Notice: If you are an anonymous participant in the Alabama Professionals Health Program and are in compliance with your contract, you may answer "No" to this question. Such an answer for this purpose, upon certification, will not be deemed as providing false information to the Alabama Board of Medical Examiners or the Medical Licensure Commission of Alabama.

13.a. **IMPORTANT:** The Board recognizes that licensees encounter health conditions, including those involving mental health and substance use disorders, just as their patients and other health care providers do. Licensees are expected to address their health concerns and ensure patient safety. Options include anonymously self-referring to the Alabama Professionals Health Program (334-954-2596), a physician advocacy organization dedicated to improving the health and wellness of medical professionals in a confidential manner. The failure to adequately address a health condition where the licensee is unable to practice medicine with reasonable skill and safety to patients can result in action being taken against the license to practice medicine.

_____ Please initial to certify that you understand and acknowledge your duty as a licensee to address any such condition as stated above.

Education/Training/Experience:

14. Has your medical education, training, or medical practice been interrupted or suspended, or have you ceased to engage in direct patient care, for a period longer than 60 days for any reason other than a vacation or for the birth or adoption of a child?

I hereby authorize the release of any information concerning me in your files, favorable or otherwise, to the Alabama Board of Medical Examiners. A copy of this authorization shall be as valid as the original.

Fitness to Practice:

10. Are you currently suffering from any condition that impairs your judgment or that would otherwise adversely affect your ability to practice medicine in a competent, ethical, and professional manner?

11. Within the past five years, have you raised the issue of any physical or psychiatric health disorder as a defense, mitigation, or explanation for your actions during any administrative or judicial proceeding or investigation; any inquiry or other proceeding; or any proposed termination by an educational institution; employer; government agency; professional organization; or licensing authority?

12. The Board recognizes that licensees encounter potentially impairing health conditions just as their patients and other health care providers do, including psychiatric or physical illnesses which may impact cognition, as well as substance use disorders. The Board expects its licensees to address their health concerns, both mental and physical, in a timely manner to ensure patient safety. Licensees

should seek appropriate medical care and should limit their medical practice when appropriate and as needed. The Board encourages licensees to utilize the services of the Alabama Professionals Health Program, a physician advocacy organization dedicated to improving the health and wellness of medical professionals in a confidential manner. The failure to adequately address a health condition, where the licensee is unable to practice medicine with reasonable skill and safety to patients, can result in the Board taking action against the license to practice medicine.

I have read and understand the statements above.
