~~14.a. IMPORTANT:~~The Board recognizes that licensees encounter potentially impairing health conditions just as their patients and other health care providers do, including psychiatric or physical illnesses which may impact cognition, as well as substance use disorders. The Board expects its licensees to address their health

concerns, both mental and physical, in a timely manner to ensure patient safety. Licensees should seek appropriate medical care and should limit their medical practice when appropriate and as needed. The Board encourages licensees~~health conditions, including those involving mental health and substance use disorders, just as their patients and other health care providers do. Licensees are expected to address their health concerns and ensure patient safety. Options include anonymously self-referring~~ to utilize the services of the Alabama Professionals Health Program (334-954-2596), an advocacy organization dedicated to improving the health and wellness of medical professionals in a confidential manner. The failure to adequately address a health condition, where the licensee is unable to practice medicine with reasonable skill and safety to patients, can result in the Board taking action against the license to practice as an assistant to physicians.

~~I Please initial to certify that you understand and acknowledge your duty as a licensee to address any such condition as stated~~have read and understand the statements above.
