(NOTE: In accordance with §41-22-6(b), as amended, a proposed rule is required to be certified within 90 days after completion of the notice.)

(1) Each applicant for the ADHP must be at least nineteen (19) years of age when applying to begin training, of good moral character, either free of communicable diseases covered by Title 22, Chapter 11A, Article 3 of the Alabama Code or cleared to practice, with or without conditions, by the State Health Officer pursuant to that statute, a citizen of the United States or a person who is legally present in the United States with appropriate documentation from the federal government, and must be a graduate of an accredited high school or hold a GED certificate.

(2) Each ADHP student must have had at least twenty-four (24) full months of full-time employment as a dental assistant, or the equivalent of twenty-four (24) full months in part-time employment within the three (3) years immediately preceding the student's enrollment in the ADHP. That time must have been spent assisting a dentist(s) at the chair, and at least twelve (12) months must have been spent assisting the sponsoring dentist. Full-time shall mean employment of at least three and one-half (3-1/2) days or thirty (30) hours of Board approved employment per week. The prerequisites to entry into the ADHP program established by this subsection shall be deemed satisfied as to any applicant who either:

(a) Is a graduate of a CODA-accredited school of dental assisting within the three years immediately preceding the student's enrollment in the ADHP and who has performed chair-side dental assisting work described in the above subsection (2) for at least fifteen (15) months in the immediately-preceding three (3) years; or

(b) Holds the foreign equivalent of Doctor of Dental Surgery (D.D.S.) or Doctor of Medicine in Dentistry (D.M.D.) degree awarded by an institution not accredited by the American Dental Association Commission on Dental Accreditation, which educational credential shall be verified to the satisfaction of the Board by means of the "U.S. Course by Course Report" issued by Educational Credential Evaluators, Inc.

(3) Each ADHP student must be and remain employed full time during the effective period of the training permit. Full time shall mean employment of at least three and one-half (3-1/2) days or thirty (30) hours of Board approved employment per week with their primary certified dentist instructor whose name appears on the training permit. "Board approved employment" means employment that can provide the student the opportunity to perform the types

and quantities of procedures required by the ADHP. Any dentist licensed and practicing dentistry full time in the State of Alabama may be issued an "ADHP Instructor Certificate" upon completion of the ADHP Instructor Certification Training and application to the Board of Dental Examiners, which shall have the discretion to grant or deny such certification. The issued certification shall be valid for three (3) years from the date of issuance.

(4) ADHP students may practice only under the direct supervision of the dentist whose name appears on the training permit; however, another dentist employed in the same office who is certified pursuant to this Rule may perform pre and post prophylactic examinations of the ADHP student's patients.

(5) The closing date for accepting applications for training permits for each year will be determined by the ADHP.

(6) ADHP students are allowed one transfer of their training permit per course year, upon written request, and only upon approval by the ADHP or the Board. During the period of the ADHP student training permit, should the student's employment with their initial instructor-dentist be terminated, the student will be allowed to continue in the program only if their employment was terminated for a reason acceptable to the Board. Any ADHP student who fails to be employed or supervised by an instructor certified dentist for more than thirty (30) calendar days during the course of the program shall be dismissed from the ADHP. An ADHP student who has participated in the Alabama Dental Hygiene Program twice unsuccessfully may apply to participate in the program a third time at the discretion of the Board after two (2) years of continual full-time employment as a dental assistant.

(7) Each ADHP student must attend every academic instruction session. A student who fails to attend any session of academic instruction shall be dismissed from ADHP unless the student submits a written explanation of the absence within five (5) business days of the absence to the Board office, and receives permission from the Board to continue in the program.

(8) No dentist shall be permitted to train more than one (1) ADHP student at a time.

(9) ADHP students who obtain training in the ADHP must pay a fee in an amount fixed by the Board (this includes training permit, education, and instructional materials fees), which must be enclosed with the application.

(10) Any instance of dishonesty of any kind in any way related to the ADHP shall result in dismissal from the program.

(11) The Board may limit the number of participants to ensure adequate function and integrity of the ADHP.

(12) Any ADHP student who is in good academic standing but, due to pregnancy or maternity, becomes unable to complete the ADHP program (including inability to satisfy the continual employment requirements imposed by subsection (3)) may apply to the Board for permission to withdraw from the current ADHP session and to re-enroll in the next following ADHP session, without payment of the application fee or tuition applicable to the next session.
