

ALABAMA LAW ENFORCEMENT AGENCY  
ADMINISTRATIVE CODE

CHAPTER 760-X-1  
PROMULGATED RULES

760-X-1-.07      Suspension And Revocation Of Driver License Under  
The Point System.

(1) Section 32-5A-195, Code of Ala. 1975, as amended, provides that the Director of Public Safety shall forthwith revoke the license of any driver upon receipt of such driver's record of any of the following offenses when such conviction has become final:

- (a) manslaughter resulting from the operation of a motor vehicle;
- (b) driving a motor vehicle by a person who is a habitual user of narcotic drugs, or while intoxicated, any felony in the commission of which a motor vehicle is used;
- (c) failure to stop and render aid as required under the laws of this state in the event of a motor vehicle accident resulting in the death or personal injury of another;
- (d) perjury, or the making of a false affidavit or statement under oath to the Director of Public Safety under this article, or under any other law relating to the ownership or operation of motor vehicles.

Section 32-10-1(b), Code of Ala. 1975, as amended, also provides that the Director shall revoke the driver license of persons convicted of leaving the scene of an accident under this section. (3) Upon receipt of notice of the suspension of his/her driver license, the driver may request a pre-suspension or administrative hearing in the county of his/her residence before an agent of the Director of Public Safety. If a driver requests a pre-suspension hearing within 10 days of the date of the notice, suspension is deferred until date of hearing. The result of this hearing will be forwarded to the Director of the Department of Public Safety who shall either affirm, rescind, or reduce the period stated in said order of suspension or good cause appearing therefore, may extend the period of suspension of such license.
